11. Items From District Five Stanislaus County Supervisor – None.

12. Items From The City Manager And Staff.

City Manager Holland remarked that the Fall Festival was a successful event and noted that the youth soccer season had begun.

Chief Richardson noted that there were no reported fights at this year's fall festival, minimal calls for service and that it had been a great family event.

Finance Director Humphries reported that one of the finance staff had resigned and accepted a position with another agency and noted that the city would soon be advertising for a replacement.

City Planner Ocasio provided a skate plaza update and noted that the project was on schedule. Ocasio mentioned that Stanislaus County had notified her that the Riddle Surface Mine project application was officially closed. She concluded by providing an update on the dog park project and noted that the park was close to completion.

Chief Bowen noted that the fire truck rides at the fall festival were successful. Bowen noted that October 9th through the 15th is fire prevention week and indicated that the fire department in conjunction with the women's auxiliary would be conducting programs at local schools. He concluded by noting that the fire department would be providing community CPR classes.

13. Items From City Council Members.

Council member Graham commented that the fall festival was an outstanding event and thanked everyone who helped organize the event.

Council member Day noted that he too was impressed by the fall festival.

Mayor Martina stated that he thought that this year's fall festival was one of the best and that there were very few issues. Martina noted that he was proud of Newman.

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF NEWMAN AUTHORIZING THE
SIGNING OF AN INDEPENDENT CONTRACTOR SERVICES AGREEMENT WITH HART-
RANSOM ACADEMIC CHARTER SCHOOL**

RECOMMENDATION:

It is recommended that the City Council approve Resolution No. 2016- , authorizing the City Manager or his designee to sign the Independent Contractor Services Agreement with Hart-Ransom Academic Charter School.

BACKGROUND:

In and around the City of Newman there are students who attend the Hart-Ransom Charter School. It has been found that there is a shortage of local physical fitness classes for these students in Newman. These students are having to travel outside the City to attend those classes. The City of Newman has a unique opportunity to provide the classes to the students and at the same time be reimbursed by Hart-Ransom Academic Charter School.

ANALYSIS:

Our recreation coordinator, Stephanie House, saw a need for home schooled students to attend physical fitness classes locally. There are fitness classes in the area but not here in Newman. She contacted Hart-Ransom Academic Charter School; which is a local charter school and came up with a plan to test out the viability of using the City's Recreation Department to fulfill this need. For this year, classes will be taught one day a week on Wednesday from 9:30a.m. to 10:30a.m. A different sport will be taught every 3-4 weeks. Participants will be introduced to each sport, learn basic rules and gain an understanding of how the sport is played. The City will submit student attendance reports to Hart-Ransom and the City will be reimbursed for each student. Our attorneys are reviewing the agreement and will have a reply to us prior to the signing deadline of October 3rd.

FISCAL IMPACT:

The City will use its existing facilities and recreation staff. We will be reimbursed \$35/month per student. Currently 12 students have registered. Classes are once per week for one hour. The staff payroll costs for four weeks is less than \$50.00. With 12 students at \$35/month/student the profit will be over \$370 per month. As student attendance grows the financial benefit to the City will increase. This program is financially self-sustaining.

CONCLUSION:

Staff recommends that the City Council approve Resolution 2016- , authorizing the City Manager or his designee to sign the Independent Contractor Service Agreement with Hart-Ransom Academic Charter School.

INDEPENDENT CONTRACTOR SERVICES AGREEMENT

The Hart-Ransom Union Elementary School District has need of the specialized services for Hart-Ransom Academic Charter School to be provided by the following named independent contractor.

| Business Name | Address | City | State | Zipcode | Course/Service |
|----------------|------------|--------|-------|---------|--------------------|
| City of Newman | PO Box 787 | Newman | CA | 95360 | Physical Education |

The Contractor shall be, for the purpose of this agreement, an independent contractor and shall not be deemed an employee of the district or school for any purpose. The district or school may provide supplies and equipment, which shall be written herein, for the convenience of the Contractor, but such accommodation shall not operate as indicia of employment.

I. TERM

1. The effective dates of this agreement are for the 2016-2017 school year:
 - a) Fall Term: September 6 through December 2, 2016
 - b) Spring Term: January 9 through April 28, 2017
2. School funding for student services or activities is not available outside the Fall and Spring Terms. The school does not provide funding for Summer Terms.

II. MANNER OF PERFORMANCE

1. Contractor shall perform all services as needed by district or school in a competent and professional manner under the direction of the Hart-Ransom Academic Charter School administrator or district designee who shall review and evaluate Contractor's performance and determine the final acceptance of the end product under the terms of the Agreement.

III. COMPENSATION

| Course | Compensation | Value Assessed to Student |
|--------------------|--------------------|---------------------------|
| Physical Education | \$35.00/mo/student | 1 STAR |

2. Payment shall be upon presentation of a written claim properly completed by the Contractor. Full explanation of service and compensation shall be on claim. Hart-Ransom cannot pay for summer months or months outside the Fall and Spring terms noted above. Hart-Ransom cannot pay registration fees, clothing expenses, travel expenses, private rates, or for services a vendor provides to his or her own child.
3. In order to receive payment from Hart-Ransom, you must email, fax or mail an invoice and student attendance for completed activities. You may not invoice for future activities, only for services rendered. Remittance is Net 60 days.

Remit your invoices and student attendance to:

All invoices must contain or be submitted with the following information:

- Invoice date
 - Contractor name, address, phone and fax numbers (optional: may include email address)
 - Purchase Order Number
 - Description of service provided
 - Date(s) service was provided
 - Amount due
 - Student name(s)
 - Attendance Roster
 - Vendor's authorized signature
4. Contractor must have secured an approved purchase order from the district or school prior to rendering services and have a current W-9 on file with the district. The school must have received and approved a student roster, or granted permission in writing for the Contractor to provide services to student.

V. TERMINATION OF AGREEMENT

1. This agreement shall terminate on the last day of service as written in I. Term b. Spring Session except:

- (a) District may terminate at any time if Contractor does not perform, or refuses to perform according to this Agreement.
- (b) District may terminate services of Contractor at any time if, in the professional judgment of the district or school administrator, the Contractor's performance is unsatisfactory as to the manner of performance of the product of said performance fails to meet the district's requirements.
- (c) In the event of early termination Contractor shall be paid for all work of services performed to the date of termination.
- (d) Contractor may terminate this Agreement by giving thirty (30) calendar days written notice to the district or school.

VI. CERTIFICATION OF CONTRACTOR STATUS

Contractor certifies that he/she is not an employee of the district or school and is self-employed in the performance of the services specified. Contractor agrees that he/she assumes all responsibility in relation to providing the district with an Employer Identification Number or Social Security Number as required by IRS regulations in relation to the conduct of his/her business.

Further, Contractor certifies that they have conducted a criminal background check through the Department of Justice (DOJ) in accordance with EdCode 33192, 33195.3 and 45125.1 of all owners and employees who will have contact with students and that no owner or employee of Contractor has been convicted of a violent or serious felony as defined by statute, nor has a criminal action pending upon charge of commission of a violent or serious felony as defined by statute. The district does not provide the background check nor do they compensate the Contractor for any costs associated with the criminal background check process. Additional information regarding DOJ application for authorization pursuant to EdCode 33192, 33195.3 and 45125.1 for school contractors is available at:

<https://oag.ca.gov/sites/all/files/agweb/pdfs/fingerprints/forms/cont-req.pdf?>

VII. OTHER CONDITIONS OF CONTRACT

1. Transfer of Rights: Contractor assigns district all rights throughout the work in perpetuity in the nature of copyright, trademark, patent, right to ideas, in and to all versions of the plans and specification now or later by Contractor in connection with the project, if any. Contractor's proprietary services and designed activities and rights thereto are not assigned to the district.
2. Nondiscrimination: Contractor shall comply with all applicable federal, state, and local laws, rules and regulations to nondiscrimination in employment because of race, color, ancestry, national origin, religion, sex, marital status, age, medical condition, handicap or other prohibited basis. All nondiscrimination rules or regulation required by law to be included in this Agreement are incorporated by this reference.
3. Extra or changed work: Only the Superintendent or Superintendent's designee may authorize extra and/or changed work. The parties expressly recognize that district and school personnel are without authorization to either order extra and/or changed work or waive contract requirements. Failure of the Contractor to secure proper authorization for extra and/or changed work shall constitute a waiver of any and all right to adjustment in the contract price or contract time due to such unauthorized extra and/or changed work and the Contractor shall not be entitled to compensation for the performance of such work.
4. Conflict of interest: Contractor represents that it presently has no interest which would conflict in any manner or degree with the performance of services contemplated by this Agreement. Contractor further represents that in the performance of this Agreement, no person having such interest will be employed.
5. Ownership of Work Project: District shall be the owner of and shall be entitled to immediate possession of accurate reproducible copies of any design computation, plan, correspondence, or other pertinent data and information gathered or computed by Contractor prior to termination of this Agreement by district or upon completion of the work pursuant to this Agreement.
6. Contractor's Warranty: District has relied upon the professional ability and training of Contractor as a material inducement to enter into this Agreement. Contractor hereby warrants that all its work shall be performed in accordance with generally accepted professional practices and standards as well as the requirements of applicable federal, state, and local laws, it being understood that acceptance of Contractor's work by district and/or school shall not operate as a waiver or release.
7. No Waive of Breach: The waiver by district of any breach of any term or promise contained in this Agreement shall not be deemed to be a waiver of term or promise contained in this Agreement.
8. Attorney Fees: If any action of law or inequity is brought to enforce or interpret the provision of the Agreement, the prevailing party shall be entitled to reasonable attorneys' fees in addition to any other relief to which it may be entitled.

SECOND REPORT

RE: Insured : City of Newman
Claimant : Meza, Anthony
Claim No. : 16,662
Date of Loss : April 15, 2016
Our File No. : FR96887

GOVERNMENT CODE REQUIREMENTS

On July 29, 2016 the city acknowledged receipt of a Claim Form filed by Anthony Meza. Per our review of the Claim Form, it appeared as if the claim was filed timely and sufficiently.

After further review, it would be our recommendation to consider the claim for rejection. If/when issued, please provide us with a copy.

FACTS OF THE CLAIM

According to the claim filed by Anthony Meza, on April 15, 2016 a rotten tree branch fell on his truck and dented the hood. The claimant's vehicle was parked in front of his house at 1227 Mariposa Street when the incident took place. The claimant was seeking \$300.00 in damages from the city for a replacement truck hood from a wrecking yard.

DISCUSSION WITH CLAIMANT

The claimant responded to our contact letter. We discussed the matter by telephone. The claimant advised that the subject incident occurred in front of his house in the morning, around 9:00 a.m. He said that he had been renting the house for about 3 years. He said that he had since moved. It was a windy day. It was blowing pretty good and there were 10 to 12 mph gusts. He was pulling his truck up to the curb to park in front of his house when a large branch (about 6 inches in diameter) from the center of the tree fell on the hood of his vehicle. He said that the branch crunched his hood pretty good. The tree was on the right side of the vehicle. He said that there were 2 city trees in front of the property. The branch

came from the tree to the left of the house. He said that he normally parked the vehicle there because there was nowhere else to park. The garage was small and it was located in the alley. He thought that the tree looked stable. However, he thought that the tree looked dead although it had green leaves. It was a city tree. It was a Maple tree. He thought that the tree had been there about 20 years. He said it was an old tree. He did not feel as if it was unsafe place to park. He said that there had been 2 big storms before and nothing happened in terms of the tree. He said that he had no idea that the branch was going to fall on his vehicle. He thought the reason the branch failed was because it was rotten from the outside. He thought that he had parked far enough away from the tree. He said that he had complained to the city about 3 months before about a branch hanging over. The city came out within 3 hours and took care of it. He made no other previous complaints to the city about the subject tree. However, he thought that the women in the apartment across the street had called the city. He never complained to his landlord about the tree. The claimant confirmed that he was the owner of the subject truck which was a 1977 Chevy C10. Since he did not have full coverage on the vehicle he did not contact his insurance company. He filed the claim with the city because the subject tree belonged to the city. He said that the tree had not been trimmed, to his knowledge. He obtained repair quotes for the hood in the range of \$250.00 to \$300.00 from wrecking yards. He said that he never filed a claim with the city before.

INVESTIGATION

We checked the weather and wind history for the date of loss. The wind speed was 16 mph (NW). The max wind speed was 29 mph and the max gust speed was 40 mph. The winds were significant on the date of loss. The heaviest winds were from 8:00 a.m. until approximately 8:00 p.m.

According to Perfecto Millan, Public Works Superintendent, the subject tree was a city tree. It was a Sycamore tree. Since he was not a Certified Arborist, he could not say if it was a healthy tree. However, the subject tree did not look any different from any of the other Sycamore trees in the area. All of the nearby Sycamore trees had small dry branches. From the bottom of the tree, it was difficult to tell how weak and/or strong the tree was on top. Perfecto did not recall when the subject tree had been last maintained. The city was responsible for maintaining the subject tree. The city did not have a particular date to prune, trim and/or remove the subject tree. However, in 2015 Public Works staff and a private contractor removed dead branches from different City trees. In the past two years, many of the city trees (especially the Ray Wood Ash and Sycamore trees) were affected by the severe drought. Hence, the majority of those types of trees had small dead branches. There were no Work Orders or complaints with regard to the subject tree received prior to April 15, 2016. As soon as Public Works received notification of the incident, a crew went out and trimmed the tree using an aerial truck.

Additionally, Perfecto advised that the city had very high winds on April 15, 2016.

REMARKS

Based upon our investigation, we found no evidence of negligence and/or liability on the part of the city. As the claimant mentioned in our discussion, when he reported a problem with the subject tree 3 months prior, the city took immediate action. However, the city received no notice with regard to the condition of the subject tree prior to the date of loss.

Also, the heavy winds on the date of loss and the drought appeared to be significant factors.

In summary, the incident appeared to be as a result of an act of nature that no one had any control over.

Therefore, it would be our recommendation that we (AIMS) provide the claimant with a denial letter outlining the findings of our investigation. A copy of which would be provided to the city. Should the city disagree with our recommendation, please advise.

DIARY

We have advanced our diary 60 days.

Should the city receive any further correspondence in the interim, please let us know.

Sincerely,

Our File No. : FR96887

Dear Mr. Meza:

Please be advised that the City of Newman is a member of the Central San Joaquin Valley Risk Management Authority. Acclamation Insurance Management Services (AIMS), as the Third Party Administrator for liability, conducts investigations on their behalf. The claim that you filed with the City of Newman has been referred to AIMS for investigation and recommendation to the city.

We have completed our investigation with regard to the tree branch that fell on your vehicle in front of your residence on April 15, 2016.

According to our investigation, we found no evidence of negligence and/or liability on the part of the city. As you mentioned in our discussion, when you notified the city 3 months prior about a hanging branch, the city took immediate action. However, the city received no notice, complaints or Work Orders with regard to the condition of the subject tree prior to the date of loss. Had they been notified of a potential problem with the tree, the city would have addressed it at that time. With regard to the current situation, as soon as Public Works received notification of the incident, a crew went out and trimmed the tree.

Also, there was no indication that the subject tree branch was going to fall on your vehicle. In fact, during our discussion, you said that you had no idea that the branch was going to fall on your vehicle. The same goes for the city. The city had no idea that the branch was going to fall on your vehicle. You also said that you did not feel as if it was

an unsafe place to park your vehicle.

Also, the heavy winds on the date of loss and the drought appeared to be significant factors.

In summary, we have concluded that this was a natural and unforeseeable event caused by the forces of nature that no one had any control over. Therefore, we cannot recommend to the City of Newman that they accept any liability for your damages. Having found no evidence of negligence or liability on the part of the City of Newman, it will be our recommendation to the City of Newman that your claim be rejected. Should the city agree with our recommendation, you can anticipate receiving a formal rejection notice by mail in the near future. We recommend that you read the notice carefully as it outlines your rights under California law.

Please also be advised that pursuant to Sections 128.5 et seq. and 1038 of the California Code of Civil Procedure, the City of Newman will seek to recover all costs of defense in the event a legal action is filed on the matter and it is determined that the action was not filed in good faith and with reasonable cause, or as otherwise determined to justify the imposition of attorney's fees and costs of suit pursuant to such sections, as well as any other sections or laws enuring to the benefit of the City of Newman, its officers, officials, employees, agents and representatives.

RESOLUTION NO. 2016-

A RESOLUTION REJECTING THE CLAIM OF ANTHONY MEZA

WHEREAS, a claim for damages in an amount within the Superior Court jurisdiction was filed against the City of Newman by Anthony Meza, on July 29, 2016 for alleged damages.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Newman that it hereby rejects the said claim for alleged damages in an amount within the Superior Court jurisdiction against the City of Newman for alleged damages.

The foregoing resolution was introduced at a regular meeting of the City Council of the City of Newman held on the 27th day of September, 2016, by Council Member _____, who moved its adoption, which motion was duly seconded and it was upon roll call carried and the resolution adopted by the following roll call vote:

**INTRODUCTION OF ORDINANCE AMENDING TITLE 4 BUILDING REGULATIONS OF THE
NEWMAN MUNICIPAL CODE, AND ADOPTING BY REFERENCE, THE CALIFORNIA CODE OF
REGULATIONS TITLE 24, 2016 EDITION OF THE CA BUILDING STANDARDS CODE**

RECOMMENDATION:

It is recommended that the City Council conduct a first reading and introduce Ordinance No. 2016- , amending Title 4 Building Regulations of the Newman Municipal Code, and adopting by reference, the California Code of Regulations Title 24, 2016 Edition of the California Building Standards Code with amendments.

BACKGROUND:

The model building codes are updated every three years. This allows for the codes to improve and adjust to the newest materials, methods of construction and technological advances in the industry.

ANALYSIS:

The California Building Standards Commission adoption of the 2016 Code comes after a comprehensive multi-state agency and stakeholder update of the 2013 Building Code.

The objective is to produce a practical building code that ensures public safety first and foremost while implementing the most efficient technology available to conserve the state's natural resources and energy use. California's building code is applied to virtually every commercial and residential structure in the state.

The new 2016 California Building Standards Code contains thirteen (13) parts that incorporate public health, life safety, and general welfare standards used in the design and construction of buildings in California. These parts incorporate the latest national standards in the International Building, Residential and Fire Codes, California Green Building Code, California Energy Code, National Electrical Code and the Uniform Mechanical and Plumbing Codes.

Health and Safety Code Section 18941.5 mandates that the Building Standards contained in the 2016 California Building Standards Code shall be effective 180 days after publication by the California Building Standards Commission. If these codes are not adopted by ordinance they become effective by default without any amendments. The proposed effective date for the City of Newman will be January 1, 2017. As part of the adoption process, this Department has made every effort to notify all affected parties of the proposed changes.

FISCAL IMPACT:

None.

CONCLUSION:

Staff recommends the City Council approve the proposed ordinance amending Newman Municipal Code, Title 4.

ATTACHMENTS:

1. Ordinance No. 2016- ,
2. Attachment "A" the amended version of Newman Municipal Code Title 4, Building Regulations.

4.01.050 Amendments.

A. Chapter J of the California Building Code Appendix is amended by adding Section J113 thereto, to read:

Section J113 Storm Water Drainage Requirement.

In all cases where proposed construction is for commercial, industrial, or public or quasi-public buildings or structures, for two-family, three-family, four-family, or multi-family dwellings, or for other uses which similarly involve structural ground coverage likely to affect storm drainage in the areas in which they are located, including but not limited to, trailer parks and parking lots, drainage facilities for the property shall be constructed in a manner approved by the Department of Public Works, which may include discharge into a publicly maintained storm drain system or ponding basin. Submission of the drainage plans for approval shall be the responsibility of the owner or the developer of the property on which the construction is proposed, and the application for a building permit shall be accompanied by a drainage plan suitable for review by the Department of Public Works.

B. Section 501.2 of the ~~2010~~ **2016** California Building Code is hereby amended by adding the following subsection:

501.2.1 Address Illumination. Addressing shall be illuminated at night in all new buildings. Address signs shall be internally or externally illuminated. When the luminance or the face of a sign is from an external source, it shall have an intensity of not less than 5.0 foot-candles. Internally illuminated signs shall provide equivalent luminance.

4.01.060 Validity.

The City Council of the City of Newman hereby declares that should any section, paragraph, sentence or word of this chapter or of the Codes hereby adopted be declared for any reason to be invalid or unconstitutional, it is the intent of the City Council of the City of Newman that it would have passed all other portions of the ordinance codified in this chapter independently of the elimination herefrom of any such portion as may be declared invalid or unconstitutional. (Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 2002-10 § 6, 10-22-2002; Ord. 99-11 § 6, 3-23-1999; Ord. 92-9, 7-28-1992)

4.01.070 Board of Appeals.

Section ~~204~~ **113** of the ~~1997 Uniform Administrative Code~~ **California Building Code** is hereby added to read as follows:

Section ~~204~~ **113.4** Board of Appeals.

The City Council is hereby designated as a Board of Appeals to make correct determination of any appeal arising from actions of the Administrative Authority. Any person dissatisfied with any decision of the Building Official may appeal in writing to the City Council of the City of Newman, which statement shall specify the ground of such dissatisfaction and shall set forth the address of appellant to which notice may be sent by mail. At the next regular meeting after filing of such appeal, the City Council shall set the same for hearing for a time not later than the

next regular meeting of the Council and shall notify the appellant by mail of the time and place of such hearing, and such hearing may take such evidence as it shall deem proper, and shall render all decisions and findings in writing to the Building Official with a duplicate copy to the appellant. The appellant shall cause to be made at his own expense any tests or research required by Council to substantiate his claims. The decision of the City Council on such appeal shall be final.

4.05.010 House mover's and relocation permits.

A. Defined.

1. No person shall move any building or structure or any portion thereof over, upon, along or across any public street, alley or sidewalk without a written permit therefor from the City Planning Department. Such permit may be referred to as a "house mover's permit."
2. No person shall relocate any building or structure or any portion thereof upon any premises in the City without a permit therefor. Such permit may be referred to as a "relocation permit."

B. Permits Required. No house mover's permit shall be issued until the Planning Director or his/her designee has first issued to the owner of the premises to which the building is to be moved a relocation permit. No relocation permit shall be required if the building or structure is to be moved to a place located outside the limits of the City or if the building or structure is to be used by a governmental agency for a governmental purpose. (Ord. 2014-9 § 2, 10-28-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007)

4.05.021 Relocation permits – Application for permit.

A. Every application to the Planning Department for a relocation permit shall be in writing upon a form furnished by the City and shall set forth such information as may be reasonably required in order to carry out the purposes of this chapter. The application shall have attached thereto:

1. Photograph of the building of not less than eight inches by 10 inches in dimension of all sides of such building or structure, showing the general architectural design and appearance thereof.
2. Plot plan showing proposed location of building.
3. Plan of reconstruction.

4. Written report of a licensed pest control operator showing whether there is infestation, infection or damage to the building, or any hazardous or dangerous conditions to the structure related to wood-destroying organisms.

B. Such application shall be filed with the Planning Department accompanied by an application fee of \$375.00. The application fee shall be in addition to the regular building permit fee required in the City Building Code. (Ord. 2014-9 § 2, 10-28-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007)

4.05.022 Relocation permits – Investigation of applicant.

A. Upon the filing of the application, the City Clerk shall refer the matter to the Planning Commission of the City for its review, and no such permit shall be issued until the same has been approved by said body. The Planning Commission shall set a hearing thereon. Written notice of the time and place of such hearing shall be mailed to the known owners of property within a radius of 300 feet of the property to which said building is to be moved, and notice thereof shall also be posted on said proposed location. Such notice mailed and posted shall set forth the character of the building to be moved, and the place from which and the place to which it is to be moved, in addition to the time and place of hearing upon the application. Such mailing and posting of notices shall be completed at least 10 days before the date of said hearing.

B. Any person aggrieved by the decision of the Planning Commission upon any application for a permit as herein provided may, within 15 days from the date said action is taken by the Planning Commission, appeal to the City Council. Said appeal shall be in writing and filed with the City Clerk. Upon the filing of any such appeal the same shall be set for hearing before the City Council and notice of the time and place of such hearing and the purpose thereof shall be given by the mailing of notices to the owners of all property within a radius of 300 feet of the property to which any building or structure is to be moved, and to the applicant. Such mailing of notices shall be completed at least 10 days before the date of said hearing. After such hearing by the City Council, the City Council may grant or deny the application or may modify in any particular the action taken by the Planning Commission. (Ord. 2014-9 § 2, 10-28-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007)

4.05.023 Relocation permits – Issuance of permit denied.

No permit shall be issued to relocate any building or structure which in the opinion of the Planning Commission is so constructed or in such condition as to be dangerous; or which is infested with pests or unsanitary; or which, if it be a dwelling or habitation, is unfit for human habitation; or which is so dilapidated, defective, unsanitary or in such a condition of deterioration or disrepair that its relocation at the proposed site would be materially detrimental to the property or improvements in the district within a radius of 300 feet from the proposed site; or if the proposed use is prohibited by the zoning laws of the City; or if the structure is of a type prohibited, at the proposed location, by any fire district ordinance, or by any other law or ordinance; provided, however, that if the condition of the building or structure in the judgment of the Planning Commission admits of practicable and effective repair, the permit may be issued subject to appropriate conditions as hereinafter provided. If the unlawful, dangerous or defective condition of the building or structure proposed to be relocated is such that remedy or correction cannot practicably and effectively be made, the permit shall be denied. (Ord. 2014-9 § 2, 10-28-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007)

4.05.024 Relocation permits – Issuance of permit.

If the granting of a permit is not prohibited by NCC 4.05.023, the Planning Commission may, after the necessary investigation and hearing, authorize the Planning Director to issue a relocation permit and, in authorizing such permit, may impose such terms and conditions as he may deem reasonable and proper, including but not limited to the requirement of changes, alterations, additions or repairs to be made to or upon the building or structure to the end that the relocation thereof will not be materially detrimental to public welfare or to the property and improvements, or either, in the district within a radius of 300 feet of the proposed site to which it is to be moved. (Ord. 2014-9 § 2, 10-28-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007)

4.05.025 Relocation permits – Bond required.

A. No relocation permit shall be issued by the Planning Director unless the applicant therefor shall first post with the City a bond executed by the owner of the premises where the building or structure is to be located, as principal, and a surety company, authorized to do business in this State, as surety. The bond, which shall be in form joint and several,

shall name the City as obligee and shall be in an amount equal to the cost plus 50 percent of the work required to be done in order to comply with all of the conditions of such relocation permit, as such cost is estimated by the Director of Public Works, City Engineer and/or City Manager. In lieu of a surety bond, the applicant may post a bond executed by said owner, as principal, and which is secured by a deposit in cash in the amount named above and conditioned as required in the case of a surety bond; such a bond as so secured is hereafter called a “cash bond” for the purposes of this chapter.

B. Any bond executed pursuant to any provision of this chapter shall contain a provision indemnifying and saving harmless the City and each officer or employee thereof from any loss or liability arising out of or resulting from any of the acts done pursuant to the provisions of any such bond or permit. (Ord. 2014-9 § 2, 10-28-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007)

4.05.026 Relocation permits – Conditions of bond.

Every bond posted pursuant to this chapter shall be conditioned as follows:

A. That each and all of the terms and conditions of the relocation permit shall be complied with to the satisfaction of the Directors of Planning, Public Works and/or City Engineer.

B. That all of the work required to be done pursuant to the conditions of the relocation permit shall be fully performed and completed within the time limit specified in the relocation permit; or, if no time limit is specified, within 90 days after the date of the issuance of the house mover’s permit elsewhere in this chapter provided for. The time limit herein specified, or the time limit specified in any permit, may be extended for good and sufficient causes by the Director of Public Works. No such extension of time shall be valid unless written and no such extension shall release any surety upon any bond. (Ord. 2014-9 § 2, 10-28-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007)

4.05.027 Relocation permits – Default in performance of conditions.

A. Whenever the Directors of Planning, Public Works and/or City Engineer shall find that a default has occurred in the performance of any term or condition of any permit, written notice thereof shall be given to the principal and to the surety of the bond.

B. Such notice shall state the work to be done, the estimated cost thereof, and the period of time deemed by the Directors of Planning, Public Works and/or City Engineer to be reasonably necessary for the completion of such work.

C. After receipt of such notice, the surety must, within the time therein specified, either cause the required work to be performed or, failing therein, must pay over to the City the estimated cost of doing the work as set forth in the notice, plus an additional sum equal to 10 percent of the said estimated cost. Upon the receipt of such moneys, the City shall proceed by such mode it deems convenient to cause the required work to be performed and completed, but no liability shall be insured therein other than for the expenditure of the said sum in hand therefor.

D. If a cash bond has been posted, notice of default as provided above shall be given to the principal and if compliance is not had within the time specified, the City shall proceed without delay and without further notice or proceedings whatever to use the cash deposit, or any portion of such deposit, to cause the required work to be done by contractor or otherwise in the discretion of the City Manager or his/her designee. The balance, if any, of such cash deposit shall, upon the completion of the work, be returned to the depositor, or to his successors or assigns, after deducting the cost of the work plus 10 percent thereof. If upon investigation or failure to secure offers or bids to do said work, it appears that the cash deposit is not adequate to complete the same, the Director of Public Works shall report the facts to the City Council for such action as it shall order after due investigation.

E. When any default has occurred on the part of the principal under the preceding provisions, the surety shall have the option, in lieu of completing the work required, to demolish the building or structure and to clear, clean and restore the site. If the surety defaults, the Director of Public Works shall report the facts to the City Council for its order, which order may include all actions herein placed in the power of the surety. The City Council may, at its discretion, bring suit against the surety and principal and such other defendants as it may be advised to obtain a judgment authorizing demolishing the building or structure or for such other remedies as the court shall decree. Costs of such proceeding shall be paid by the principal and surety and other defendants as the court may decree. Any building or structure maintained after default shall constitute a public nuisance and be subject to abatement as such.

F. In the event of any default in the performance of any term or condition of the relocation permit, the surety, or any person employed or engaged on its behalf, shall have the right to go upon the premises to complete the required work or to remove or to demolish the building or structure.

G. No person shall interfere with or obstruct the ingress or egress to or from any such premises by any authorized representative or agent of any surety engaging in the work of completing, demolishing or removing a building or structure for which a relocation permit has been issued after a default has occurred in the performance of the terms or conditions thereof. The provisions of this subsection as well as all subsections of this section shall also extend to representatives of the City. (Ord. 2014-9 § 2, 10-28-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007)

4.05.028 Relocation permits – Bond period and termination of bond.

The term of each bond posted pursuant to this chapter shall begin upon the date of the posting thereof, and shall end upon completion to the satisfaction of the City of the performance of all of the terms and conditions of the relocation permit. Such completion shall be evidenced by a statement thereof signed by the Director of Public Works, a copy of which will be sent to any surety or principal upon request. When a cash bond has been posted, the cash shall be returned to the depositor or to his successors or assigns upon the termination of the bond, except any portion thereof that may have been used or deducted as elsewhere in this chapter provided. (Ord. 2014-9 § 2, 10-28-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007)

4.05.031 House mover's permit – Permit prerequisites.

No house mover's permit shall be granted by the City Planning Department except as follows:

A. The applicant must first furnish evidence that the applicant has already been issued a relocation permit for the particular building or structure when such a permit is required by the provisions of this chapter.

B. The applicant shall pay to the City an application fee of \$50.00 for each permit requested.

C. A separate application upon a form furnished by the City must be filed, and a separate permit obtained, for the moving of each separate building or structure or portion of a building or structure. (Ord. 2014-9 § 2, 10-28-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007)

4.05.032 House mover's permit – Contents of application.

Each application for a house mover's permit must show:

A. The kind of building or structure to be moved.

B. The street location or other identifying description from which it is proposed to be moved if such location is within the City, and the street location or other identifying description to which it is proposed to be moved, and the route over, along, across and upon which such building or structure or section or portion thereof is to be moved.

C. The number of sections in which the building or structure will be moved.

D. The time when it is proposed to be moved and within which removal will be completed. (Ord. 2014-9 § 2, 10-28-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007)

4.05.033 House mover's permit – Action upon application.

The Planning Director, immediately upon receipt of such application, shall notify the Chief of Police and Director of Public Works that such application has been filed. The Director of Public Works shall investigate the route designated in the application to ascertain whether the moving of the building can be made without damage to the trees adjacent thereto. If the moving would damage such trees, he shall prescribe another route which will not cause such damage. If the moving of the building requires any tree trimming, such tree trimming shall be performed by a street trimmer designated by the Director of Public Works, and charge an hourly rate equal to the tree trimmer's fully burdened hourly wage for the services of such tree trimmer. (Ord. 2014-9 § 2, 10-28-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007)

4.05.034 House mover's permit – Deposits.

No permit shall be issued to any house mover pursuant to the terms of this chapter until the applicant therefor shall have deposited \$500.00 with the City. (Ord. 2014-9 § 2, 10-28-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007)

4.05.041 Procedure for house movers – Conditions of permit.

Where the building or structure is to be moved from one street location to another street location within the City, or from one street location within the City to a place located outside the City, the house mover shall comply with the following conditions with respect to such parcel:

- A. Immediately upon removal of said building, securely cap and seal all gas, water and oil pipes disconnected from the building.
- B. Securely seal all sewer and other sanitary facilities remaining on the land.
- C. Fill with dirt, sand or small rock all openings and excavations in the land, including cesspools and septic tanks, if any.
- D. Remove therefrom all refuse, debris, old foundations, walls, slabs, waste material and other impediments.
- E. Within 10 days after such removal, the house mover shall file a letter with the Director of Public Works certifying that all of the provisions of this section have been complied with. (Ord. 2014-9 § 2, 10-28-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007)

4.05.042 Procedure for house movers – Inspection of structures.

Every building or structure or section or portion thereof moved over, upon, along or across any street shall be moved under the inspection and supervision of the Director of Public Works. The Director of Public Works shall appoint an Inspector for the moving of any building or structure and of each section or portion thereof; provided, that in case two or more buildings or structures, or two or more sections or portions thereof, are being moved at the same time along a route or routes so situated that one person can inspect the same, only one person shall be appointed therefor. Such inspection and supervision in each case shall be for such time as the Director of Public Works shall deem necessary for the performance of such service and a charge of an hourly rate equal to the inspector's fully burdened hourly wage or fraction thereof shall be made for the time required for such inspection and supervision. (Ord. 2014-9 § 2, 10-28-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007)

4.05.043 Procedure for house movers – Police escort.

The Director of Public Works shall notify the Chief of Police of the time of moving the building through the public streets. If the Chief of Police determines that the protection of the public requires a police escort, he shall provide such escort and charge an hourly rate equal to the City's average fully burdened police officer hourly wage or fraction thereof shall be made therefor. (Ord. 2014-9 § 2, 10-28-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007)

4.05.044 Procedure for house movers – Methods of moving.

- A. It shall be the duty of any house mover when required by the Director of Public Works to cause boards of sufficient strength to carry the load without breaking to be placed under all of the rolls or wheels to serve as a runway for such rolls or wheels during the moving of any building or structure, or section or portion thereof, along every street improved in any other manner than by Portland cement, concrete, asphalt or brick, and at no time shall such rolls or wheels be permitted to revolve, except upon such board runway when the same is required by the Director of Public Works.
- B. The Director of Public Works may direct that steel- or rubber-tired dollies may be used when any building or structure is moved on any unimproved or oil, gravel street.
- C. In the event that the equipment of the house mover is not sufficient for the work required, or if the street or the use thereof or the property of any public utility will be at any time endangered or damaged by such moving or if such house mover or his servants or employees at any time violate any of the terms, conditions or restrictions of the permit required by NCC 4.05.041 either as to the size or dimensions of the building or structure being moved or the route of

such moving, or otherwise, the Inspector shall report such fact to the Director of Public Works and, when properly authorized by the Director of Public Works, the Inspector shall be empowered to stop the progress of such moving. (Ord. 2014-9 § 2, 10-28-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007)

4.05.045 Procedure for house movers – Damage to streets.

In case of damage to any street by reason of the moving of any building or structure or section or portion thereof, the Director of Public Works shall do such work as may be necessary to restore the street to as good a condition as the same was in prior to such damage, and shall charge the cost thereof to the house mover to whom the permit was issued for the moving of such building or structure or section or portion thereof. (Ord. 2014-9 § 2, 10-28-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007)

4.05.046 Procedure for house movers – Deposit deductions.

There shall be deducted from each deposit the cost of the service of the Inspector provided for in NCC 4.05.042, the cost of the tree trimmer provided for in NCC 4.05.033, the cost of the police escort provided for in NCC 4.05.043, and the cost of repairs, if any, made by the Director of Public Works as provided in NCC 4.05.045. The remainder of such deposit, if any, shall be refunded to the person making such deposit or to his assigns. In case the deposit made pursuant to NCC 4.05.034 shall not be sufficient to pay the cost of the service of the Inspector, the police escort, the tree trimmer and the cost of the repairs, if any, the person making such deposit shall, upon demand, pay to the City a sufficient sum to cover all such costs. Upon failure to pay such sum, it may be recovered by the City in any court of competent jurisdiction. No permit fee shall be required for the moving of temporary buildings or structures over public streets or alleys if such buildings or structures are to be used for a governmental purpose. (Ord. 2014-9 § 2, 10-28-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007)

4.05.047 Procedure for house movers – Red light required.

No person moving any building or structure or section or portion thereof over, upon, along or across any street, alley or sidewalk shall fail, neglect or refuse to keep a red light illuminated at all times between sunset and sunrise at each corner of such building or structure or section or portion thereof, and at the end of any projection thereon while the same or any part thereof is located in or upon any street, alley or sidewalk. (Ord. 2014-9 § 2, 10-28-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007)

4.05.050 Insurance.

A. No permit to move a building authorized by the Planning Director or other City officer shall be issued until the permittee has filed with the City a policy of public liability and property damage, or approved certificate thereof, issued by a responsible insurance company authorized to do business in the State of California.

B. Said policy shall insure the permittee and shall inure to the benefit of any and all persons suffering loss or damage either to person or property by reason of wrongful or negligent acts in moving the building. Said policy shall also contain a clause or special endorsement indemnifying and saving harmless the City, its officers, agents and employees against any loss, damage, costs and expenses which may in anywise accrue against the City, its officers, agents or employees in consequence of the granting of the permit for moving any building.

C. Such policy, at a minimum, shall include the following:

1. General liability (including operations, products and completed operations): \$1,000,000 per occurrence for bodily injury, personal injury and property damage. If commercial general liability insurance or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to this project/location or the general aggregate limit shall be twice the required occurrence limit.
2. Automobile liability: \$1,000,000 per accident for bodily injury and property damage.
3. Workers' compensation: As required by the State of California.
4. Employer's liability: \$1,000,000 per accident for bodily injury or disease.

D. Such policy shall certify therein that it shall not be cancelled except upon 30 days' prior written notice thereof to the City. Said liability insurance shall be a continuing liability up to the full amount thereof notwithstanding any recovery thereon.

E. The City Manager, in his/her discretion, may require additional insurance coverage(s) and/or higher limits of coverage. (Ord. 2014-9 § 2, 10-28-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007)

4.05.060 Appeals.

Any person aggrieved by any decision of the Planning Director, Director of Public Works and/or Chief of Police in carrying out the provisions of this chapter may, within 10 days after decision, appeal to the City Council by filing a written notice thereof with the City Clerk, and the City Council shall hold a hearing on the matter and its decision thereon shall be final and conclusive. (Ord. 2014-9 § 2, 10-28-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 77-2, 2-8-1977; Ord. 282, 4-8-1975)

TELEVISION ANTENNAS

Sections:

- 4.06.010 Definitions.
- 4.06.020 Permit required – Fees.
- 4.06.030 Technical requirements.
- 4.06.040 Electrical Inspector – Rights, duties and powers.
- 4.06.050 Existing antennas.

4.06.010 Definitions.

The following definitions shall apply in the interpretation and enforcement of this chapter:

“Antenna” means the outdoor portion of the receiving equipment used for receiving or radiating television waves.

“Height” means the overall vertical length of the antenna system above the ground, or, if such system be located on a building, then above that part of the level of such building upon which the system rests.

“Mast” means that portion of the outside antenna system to which the antenna is attached, and the support or extension required to elevate the antenna to a height deemed necessary for adequate operation, excluding towers. (Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007)

4.06.020 Permit required – Fees.

A. No person shall erect a television antenna mast or tower or add to or replace the guy lines and fastenings on an existing mast without obtaining a permit from the Electrical Inspector.

B. Before a permit is issued, a permit fee of \$1.00 shall be paid to the Electrical Inspector.

C. A reinspection fee of \$1.00 shall be made for each trip when extra inspections are necessary due to any of the following reasons:

1. Wrong address on permit.
2. Condemned work resulting from faulty construction.
3. Repairs or corrections not made when inspection is called.
4. Work not ready for inspection when called. (Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007)

4.06.030 Technical requirements.

It shall be unlawful for any person hereafter to install, repair or maintain, either as owner or as agent, servant or employee of the owner, or as an independent contractor for the owner, or otherwise, any outside television antenna, or to make any additions to, or substitutions for, said antenna, except in accordance with the following rules and regulations:

A. Materials, Height. Every mast and antenna hereafter erected shall be of noncombustible and corrosive-resistant material, except that in the case of ground support a wooden pole may be used when adequately treated with a wood preservative. No mast or antenna hereafter erected shall exceed the maximum height of 45 feet above a roof support and 65 feet above a ground support; provided, however, that in areas where reception is affected by obstruction or ground elevation, special permission may be granted by the Electrical Inspector upon request to exceed the above-specified height limitations.

B. Mounting. Every mast and antenna installed on a roof shall be mounted on its own platform or plate covering one or more rafters of the roof. Whenever a plate is used, it shall be of wood at least two inches thick, six inches wide and 18 inches long, or of metal one-eighth inch thick, six inches wide and 12 inches long.

C. Method of Erection. Masts shall be erected by means of the telescope method, and the base of the mast shall be at least one and three-fourths inches in diameter, and at least three-fourths inch in diameter at the top of the mast except that no rotor shall be mounted on any mast the top dimension of which is less than one inch in diameter. Masts shall be made of tubing material of a minimum thickness of 16 gauge. Each mast shall be securely fastened to the building structure by not less than three guy wires as equally separated as is practically possible and guyed every 10 feet in height. Guy wires shall be at least 20-gauge, six-strand galvanized cable. The distance that the guy wire shall be fastened from the base of the television mast shall be the ratio of one-third of its height; e.g., a 45-foot mast shall be guyed at least 15 feet away from the mast.

D. Wind Load Requirements. Notwithstanding any other provisions of this chapter, antennas shall be designed and installed to withstand a wind pressure of 25 pounds per square foot.

E. Anchor Screws. Anchor screws or lead expansion shields must be used in masonry at anchor points of masts and guy wire supports.

F. Eye Bolts. All eye bolts shall be galvanized and a minimum of one-quarter inch in diameter, set one and one-half inches into wood.

G. Public Ways. In no case shall an antenna be installed nearer to the street, sidewalk or any primary power line than the height of the antenna plus 10 feet unless approved by the Electrical Inspector, and no wires, cables or guy wires shall cross or extend over any part of any street or sidewalk.

H. Safety Wire. Whenever it is necessary to install an antenna near primary power lines (2,200 volts or over), or where damage would be caused by its falling, a separate safety wire shall be attached to the top of the mast and secured to a separate eye bolt in a direction away from the hazard.

I. Fire Protection. No antenna shall be installed in such a manner as to prevent access to any building for fire fighting or fire prevention purposes.

J. Grounding. Each mast and tower shall be grounded at its lowest point with wires of at least No. 8 copper, or with other conductors of equivalent carrying capacity. Ground shall be a cold water pipe, if available, or if not, by an approved ground rod driven a minimum of six feet into the ground and fastened with an approved ground connector. Grounding means shall be by approved grounding fittings. (Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 216, 9-8-1959)

4.06.040 Electrical Inspector – Rights, duties and powers.

A. The Electrical Inspector, or his authorized assistants, shall be authorized to inspect any television antenna hereafter erected to ascertain if the work has been done in a workmanlike manner and in compliance with this chapter.

B. Nothing contained in this chapter shall be construed to prevent the City, through a duly authorized Inspector, from inspecting any antenna system in use in the City, heretofore or hereafter installed, in order to ascertain whether or not the same is reasonably safe to life or property. In case any condition is found which might result in danger to life or property, the Electrical Inspector is authorized to give written notice to the owner or operator of such antenna at his last known address, specifying the dangerous condition, indicating the corrective action that must be taken to make the same safe, and requiring the same to be corrected within five days after such notice, or, in the case of serious safety hazards, within such shorter time as the Electrical Inspector may specify, not less than 48 hours after such notice. If such conditions are not corrected within such time, the maintenance thereafter of any such defective installation by the owner or use thereof shall be unlawful. (Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 216, 9-8-1959)

4.06.050 Existing antennas.

Every television antenna erected prior to the effective date of the ordinance codified in this chapter may be maintained and operated in its present location, unless said antenna is so constructed and maintained as to be unsafe and dangerous

as determined by the Electrical Inspector in accordance with the provisions of NCC 4.06.040. (Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 216, 9-8-1959)

- 4.08.040 Interpretation and appeals.
- 4.08.050 Violations and penalties.
- 4.08.060 Validity.

4.08.010 Purposes.

The purposes of this chapter are to provide minimum requirements for the protection of life, limb, health, property, safety and welfare of the general public in the incorporated area of the City of Newman by regulating the erection, construction, enlargement, alteration, repair, removal, conversion, use and maintenance of all buildings or portions thereof used, or designed, or intended to be used, for human habitation; to encourage and instruct people to build safely and economically, rather than to discourage building; and to provide a minimum of restrictive enforcement and a maximum of good building information and encouragement. (Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 99-14 § 1, 3-23-1999; Ord. 92-8, 7-28-1992)

4.08.020 Adoption.

That certain document in book form entitled “Uniform Housing Code, 1997 Edition” including the appendices thereof, as approved and copyrighted by the International Conference of Building Officials, 5360 South Workman Mill Road, Whittier, California 90601, one copy of which is now on file in the Building Department of the City of Newman, is adopted and enacted as the “Housing Code of the City of Newman” in its present form, except as to certain portions of said Uniform Housing Code, 1997 Edition, are hereafter specifically amended. (Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 99-14 § 2, 3-23-1999)

4.08.030 Definitions.

Wherever the following words appear in the Uniform Housing Code, they shall be deemed to mean:

- A. “City” shall mean the incorporated area of the City of Newman.
- B. “State” shall mean the State of California. (Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 99-14 § 3, 3-23-1999; Ord. 92-8, 7-28-1992)

4.08.040 Interpretation and appeals.

Section 203 of the Uniform Housing Code is hereby amended to read as follows:

Section 203

In order to provide for a final interpretation of the provisions of this ordinance and to hear appeals provided for hereunder, the City Council is hereby designated as a Board of Appeals. Any person dissatisfied with any decision of the Building Official may appeal in writing to the City Council of the City of Newman, which statement shall specify the ground of such dissatisfaction and shall set forth the address of appellant to which notice may be sent by mail. At the next regular meeting after filing of such appeal, the City Council shall set the same for hearing for a time not later than the next regular meeting of the council and shall notify the appellant by mail of the time and place of such hearing, and at such hearing may take such evidence as it shall deem proper, and shall render all decisions and findings in writing to the Building Official, with a duplicate copy to the appellant. The decision of the City Council on such appeal shall be final.

(Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 99-14 § 4, 3-23-1999; Ord. 92-8, 7-28-1992)

4.08.050 Violations and penalties.

Section 204 of the Uniform Housing Code, 1997 Edition, as set forth in said Code, is omitted, but in lieu thereof a new Section 204 is added to read as follows:

Section 204.

It shall be unlawful for any person, firm or corporation to erect, construct, enlarge, alter, repair, move, improve, remove, convert or demolish, equip, use, occupy or maintain any building or structure in the City of Newman, or cause or permit the same to be done, contrary to or in violation of any of the provisions of this Code.

Any person, firm or corporation violating any of the provisions of this Code shall be deemed guilty of a misdemeanor, and each such person shall be deemed guilty of a separate offense for each and every day or portion thereof during which any violation of any of the provisions of this Code is committed, continued or permitted, and upon conviction of any such violation, such person shall be punishable by a fine of not more than \$500.00, or by imprisonment for not more than one hundred eighty (180) days, or by both such fine and imprisonment. Any violation of this chapter may be alternatively charged as an administrative citation.

(Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 99-14 § 5, 3-23-1999)

4.08.060 Validity.

The City Council of the City of Newman hereby declares that should any section, paragraph, sentence or word of this chapter or of the Codes hereby adopted be declared for any reason to be invalid or unconstitutional, it is the intent of the City Council of the City of Newman that it would have passed all other portions of the ordinance codified in this chapter independently of the elimination herefrom of any portion as may be declared invalid or unconstitutional. (Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 99-14 § 6, 3-23-1999; Ord. 92-8, 7-28-1992)

Section ~~408.1~~ **107.1** of the California Mechanical Code is hereby amended to read as follows:

~~408.1~~ **107.1**

In order to determine the suitability of alternate materials and types of construction and to provide for reasonable interpretations of the provisions of this Code, the City Council shall appoint a Board of Appeals in accordance with administrative regulations of the Building Codes. Any person dissatisfied with any decision of the Building Official may appeal in writing to the Board of Appeals, which statement shall specify the ground of such dissatisfaction and shall set forth the address of appellant to which notice may be sent by mail. At the next regular meeting after filing of such appeal, the Board shall set the same for hearing for a time not later than the next regular meeting and shall notify the appellant by mail of the time and place of such hearing, and at such hearing may take such evidence as it shall deem proper, and shall render all decisions and findings in writing to the Building Official, with a duplicate copy to the appellant. The decision of the Board of Appeals on such appeal may be appealed in writing to the City Council by any person. Said appeal shall be set for hearing for a time not later than the next regular meeting of the Council. Notification of hearing and action shall be the same as indicated above for the Board of Appeals.

4.09.040 Violations and penalties.

Sections ~~444 106.1 and 106.3~~ of the California Mechanical Code —2013 Edition, as set forth in said Code, is omitted, but in lieu thereof a new Sections ~~444 106.1 and 106.3~~ is added to read as follows:

Section ~~444 106.1 General: Violations and Penalties.~~

It shall be unlawful for any person, firm or corporation, to erect, install, alter, repair, relocate, add to, replace, use, or maintain heating, ventilation, cooling or refrigeration equipment in the jurisdiction, or cause or permit the same to be done, contrary to or in violation of any of the provisions of the Code. Maintenance of equipment which was unlawful at the time it was installed, and which would be unlawful under this Code if installed after the effective date of this Code, shall constitute a continuing violation of this Code.

Section 106.3 Penalties:

Any person, firm or corporation violating any of the provisions of this Code shall be deemed guilty of a misdemeanor, and each such person shall be deemed guilty of a separate offense for each and every day or portion thereof, during which any violation of any of the provisions of this Code is committed, continued, or permitted, and upon conviction of any such violation, such person shall be punishable by a fine of not more than \$500.00, or by imprisonment for not more than one hundred eighty (180) days, or by both such fine and imprisonment. Any violation of this chapter may be alternatively charged as an administrative citation.

Article I. Statutory Authorization, Findings of Fact, Purpose and Methods

4.11.010 Statutory authorization.

The Legislature of the State of California has in Government Code Sections 65302, 65560, and 65800 conferred upon local government units authority to adopt regulations designed to promote the public health, safety, and general welfare of its citizenry. Therefore, the City Council of the City of Newman does hereby adopt the following floodplain management regulations. (Ord. 2014-4 § 2 (Att. A), 6-10-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 2000-4 § 1.1, 9-12-2000; Ord. 95-1, 3-28-1995)

4.11.020 Findings of fact.

A. The flood hazard areas of the City of Newman are subject to periodic inundation which results in loss of life and property, health and safety hazards, disruption of commerce and governmental services, extraordinary public expenditures for flood protection and relief, and impairment of the tax base, all of which adversely affect the public health, safety, and general welfare.

B. These flood losses are caused by uses that are inadequately elevated, floodproofed, or protected from flood damage. The cumulative effect of obstructions in areas of special flood hazard which increase flood heights and velocities also contributes to the flood loss. (Ord. 2014-4 § 2 (Att. A), 6-10-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 2000-4 § 1.2, 9-12-2000; Ord. 95-1, 3-28-1995)

4.11.030 Statement of purpose.

It is the purpose of this chapter to promote the public health, safety, and general welfare, and to minimize public and private losses due to flood conditions in specific areas by provisions designed to:

A. Protect human life and health;

B. Minimize expenditure of public money for costly flood control projects;

C. Minimize the need for rescue and relief efforts associated with flooding and generally undertaken at the expense of the general public;

D. Minimize prolonged business interruptions;

E. Minimize damage to public facilities and utilities such as water and gas mains; electric, telephone and sewer lines; and streets and bridges located in areas of special flood hazard;

F. Help maintain a stable tax base by providing for the sound use and development of areas of special flood hazard so as to minimize future blighted areas caused by flood damage;

G. Ensure that potential buyers are notified that property is in an area of special flood hazard; and

H. Ensure that those who occupy the areas of special flood hazard assume responsibility for their actions. (Ord. 2014-4 § 2 (Att. A), 6-10-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 2000-4 § 1.3, 9-12-2000; Ord. 95-1, 3-28-1995)

4.11.040 Methods of reducing flood losses.

In order to accomplish its purposes, this chapter includes methods and provisions to:

A. Restrict or prohibit uses which are dangerous to health, safety, and property due to water or erosion hazards, or which result in damaging increases in erosion or flood heights or velocities;

B. Require that uses vulnerable to floods, including facilities which serve such uses, be protected against flood damage at the time of initial construction;

C. Control the alteration of natural floodplains, stream channels, and natural protective barriers, which help accommodate or channel flood waters;

D. Control filling, grading, dredging, and other development which may increase flood damage; and

E. Prevent or regulate the construction of flood barriers which will unnaturally divert flood waters or which may increase flood hazards in other areas. (Ord. 2014-4 § 2 (Att. A), 6-10-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 2000-4 § 1.4, 9-12-2000; Ord. 95-1, 3-28-1995)

Article II. Definitions

4.11.050 Definitions.

Unless specifically defined below, words or phrases used in this chapter shall be interpreted so as to give them the meaning they have in common usage and to give this chapter its most reasonable application.

“Accessory use” means a use which is incidental and subordinate to the principal use of the parcel of land on which it is located.

“Alluvial fan” means a geomorphologic feature characterized by a cone- or fan-shaped deposit of boulders, gravel, and fine sediments that have been eroded from mountain slopes, transported by flood flows, and then deposited on the valley floors, and which is subject to flash flooding, high velocity flows, debris flows, erosion, sediment movement and deposition, and channel migration.

“Apex” means the point of highest elevation on an alluvial fan, which on undisturbed fans is generally the point where the major stream that formed the fan emerges from the mountain front.

“Appeal” means a request for a review of the Floodplain Administrator’s interpretation of any provision of this chapter.

“Area of shallow flooding” means a designated AO or AH Zone on the Flood Insurance Rate Map (FIRM). The base flood depths range from one to three feet; a clearly defined channel does not exist; the path of flooding is unpredictable and indeterminate; and velocity flow may be evident. Such flooding is characterized by ponding or sheet flow.

Area of Special Flood Hazard. See “special flood hazard area (SFHA).”

“Base flood” means a flood which has a one percent chance of being equaled or exceeded in any given year (also called the “100-year flood”). “Base flood” is the term used throughout this chapter.

“Basement” means any area of the building having its floor subgrade – i.e., below ground level – on all sides.

Building. See “structure.”

“Development” means any manmade change to improved or unimproved real estate, including but not limited to buildings or other structures, mining, dredging, filling, grading, paving, excavation or drilling operations or storage of equipment or materials.

“Encroachment” means the advance or infringement of uses, plant growth, fill, excavation, buildings, permanent structures or development into a floodplain which may impede or alter the flow capacity of a floodplain.

“Existing manufactured home park or subdivision” means a manufactured home park or subdivision for which the construction of facilities for servicing the lots on which the manufactured homes are to be affixed (including, at a minimum, the installation of utilities, the construction of streets, and either final site grading or the pouring of concrete pads) is completed before September 29, 1978.

“Expansion to an existing manufactured home park or subdivision” means the preparation of additional sites by the construction of facilities for servicing the lots on which the manufactured homes are to be affixed (including the installation of utilities, the construction of streets, and either final site grading or the pouring of concrete pads).

“Flood,” “flooding,” or “flood water” means:

1. A general and temporary condition of partial or complete inundation of normally dry land areas from the overflow of inland or tidal waters; the unusual and rapid accumulation or runoff of surface waters from any source; and/or mudslides (i.e., mudflows); and
2. The condition resulting from flood-related erosion.

“Flood Boundary and Floodway Map (FBFM)” means the official map on which the Federal Emergency Management Agency or Federal Insurance Administration has delineated both the areas of special flood hazard and the floodway.

“Flood Hazard Boundary Map (FHBM)” means the official map on which the Federal Emergency Management Agency or Federal Insurance Administration has delineated the areas of flood hazards.

“Flood Insurance Rate Map (FIRM)” means the official map on which the Federal Emergency Management Agency or Federal Insurance Administration has delineated both the areas of special flood hazard and the risk premium zones applicable to the community.

“Flood Insurance Study” means the official report provided by the Federal Insurance Administration that includes flood profiles, the Flood Insurance Rate Map, the Flood Boundary and Floodway Map, and the water surface elevation of the base flood.

“Floodplain” or “flood-prone area” means any land area susceptible to being inundated by water from any source. See “flooding.”

“Floodplain Administrator” is the individual appointed to administer and enforce the floodplain management regulations.

“Floodplain management” means the operation of an overall program of corrective and preventive measures for reducing flood damage and preserving and enhancing, where possible, natural resources in the floodplain, including but not limited to emergency preparedness plans, flood control works, floodplain management regulations, and open space plans.

“Floodplain management regulations” means this chapter and other zoning ordinances, subdivision regulations, building codes, health regulations, special purpose ordinances (such as grading and erosion control) and other application of police power which control development in flood-prone areas. This term describes Federal, State or local regulations in any combination thereof which provide standards for preventing and reducing flood loss and damage.

“Floodproofing” means any combination of structural and nonstructural additions, changes, or adjustments to structures which reduce or eliminate flood damage to real estate or improved real property, water and sanitary facilities, structures, and their contents. (Refer to FEMA Technical Bulletins TB 1-93, TB 3-93, and TB 7-93 for guidelines on dry and wet floodproofing.)

“Floodway” means the channel of a river or other watercourse and the adjacent land areas that must be reserved in order to discharge the base flood without cumulatively increasing the water surface elevation more than one foot. Also referred to as “regulatory floodway.”

“Floodway fringe” is that area of the floodplain on either side of the “regulatory floodway” where encroachment may be permitted.

“Fraud and victimization” as related to Article VI, Variance Procedure, of this chapter means that the variance granted must not cause fraud on or victimization of the public. In examining this requirement, the Newman City Council will consider the fact that every newly constructed building adds to government responsibilities and remains a part of the community for 50 to 100 years. Buildings that are permitted to be constructed below the base flood elevation are subject during all those years to increased risk of damage from floods, while future owners of the property and the community as a whole are subject to all the costs, inconvenience, danger, and suffering that those increased flood damages bring. In addition, future owners may purchase the property, unaware that it is subject to potential flood damage, and can be insured only at very high flood insurance rates.

“Functionally dependent use” means a use which cannot perform its intended purpose unless it is located or carried out in close proximity to water. The term includes only docking facilities, port facilities that are necessary for the loading and unloading of cargo or passengers, and ship building and ship repair facilities, and does not include long-term storage or related manufacturing facilities.

“Governing body” is the local governing unit, i.e., county or municipality, that is empowered to adopt and implement regulations to provide for the public health, safety and general welfare of its citizenry.

“Hardship” as related to Article VI, Variance Procedure, of this chapter means the exceptional hardship that would result from a failure to grant the requested variance. The City Council requires that the variance be exceptional, unusual, and peculiar to the property involved. Mere economic or financial hardship alone is not exceptional. Inconvenience, aesthetic considerations, physical handicaps, personal preferences, or the disapproval of one’s neighbors likewise cannot, as a rule, qualify as an exceptional hardship. All of these problems can be resolved through other means without granting a variance, even if the alternative is more expensive or requires the property owner to build elsewhere or put the parcel to a different use than originally intended.

“Highest adjacent grade” means the highest natural elevation of the ground surface prior to construction next to the proposed walls of a structure.

“Historic structure” means any structure that is:

1. Listed individually in the National Register of Historic Places (a listing maintained by the Department of the Interior) or preliminarily determined by the Secretary of the Interior as meeting the requirements for individual listing on the National Register;
2. Certified or preliminarily determined by the Secretary of the Interior as contributing to the historical significance of a registered historic district or a district preliminarily determined by the Secretary to qualify as a registered historic district;
3. Individually listed on a State inventory of historic places in states with historic preservation programs which have been approved by the Secretary of the Interior; or
4. Individually listed on a local inventory of historic places in communities with historic preservation programs that have been certified either by an approved State program as determined by the Secretary of the Interior or directly by the Secretary of the Interior in states without approved programs.

“Levee” means a manmade structure, usually an earthen embankment, designed and constructed in accordance with sound engineering practices to contain, control or divert the flow of water so as to provide protection from temporary flooding.

“Levee system” means a flood protection system which consists of a levee, or levees, and associated structures, such as closure and drainage devices, which are constructed and operated in accord with sound engineering practices.

“Lowest floor” means the lowest floor of the lowest enclosed area, including basement (see “basement”).

1. An unfinished or flood-resistant enclosure below the lowest floor that is usable solely for parking of vehicles, building access or storage in an area other than a basement area is not considered a building’s lowest floor provided it conforms to applicable nonelevation design requirements, including, but not limited to:
 - a. The wet floodproofing standard in NCC 4.11.170(C)(3);
 - b. The anchoring standards in NCC 4.11.170(A);
 - c. The construction materials and methods standards in NCC 4.11.170(B); and
 - d. The standards for utilities in NCC 4.11.180.
2. For residential structures, all subgrade enclosed areas are prohibited as they are considered to be basements (see “basement”). This prohibition includes below-grade garages and storage areas.

“Manufactured home” means a structure, transportable in one or more sections, which is built on a permanent chassis and is designed for use with or without a permanent foundation when attached to the required utilities. The term “manufactured home” does not include a recreational vehicle.

“Manufactured home park or subdivision” means a parcel (or contiguous parcels) of land divided into two or more manufactured home lots for rent or sale.

“Market value” shall be determined by estimating the cost to replace the structure in new condition and adjusting that cost figure by the amount of depreciation which has accrued since the structure was constructed. The cost of replacement of the structure shall be based on a square foot cost factor determined by reference to a building cost estimating guide recognized by the building construction industry. The amount of depreciation shall be determined by taking into account the age and physical deterioration of the structure and functional obsolescence as approved by the Floodplain Administrator, but shall not include economic or other forms of external obsolescence. Use of replacement costs or accrued depreciation factors different from those contained in recognized building cost estimating guides may be considered only if such factors are included in a report prepared by an independent professional appraiser and supported by a written explanation of the differences.

“Mean sea level” means, for purposes of the National Flood Insurance Program, the National Geodetic Vertical Datum (NGVD) of 1929 or other datum, to which base flood elevations shown on a community’s Flood Insurance Rate Map are referenced.

“New construction,” for floodplain management purposes, means structures for which the “start of construction” commenced on or after September 29, 1978, and includes any subsequent improvements to such structures.

“New manufactured home park or subdivision” means a manufactured home park or subdivision for which the construction of facilities for servicing the lots on which the manufactured homes are to be affixed (including, at a minimum, the installation of utilities, the construction of streets, and either final site grading or the pouring of concrete pads) is completed on or after September 29, 1978.

“Obstruction” includes, but is not limited to, any dam, wall, wharf, embankment, levee, dike, pile, abutment, protection, excavation, channelization, bridge, conduit, culvert, building, wire, fence, rock, gravel, refuse, fill, structure, vegetation or other material in, along, across or projecting into any watercourse which may alter, impede, retard or change the direction and/or velocity of the flow of water, or due to its location, its propensity to snare or collect debris carried by the flow of water, or its likelihood of being carried downstream.

One-Hundred-Year Flood or 100-Year Flood. See “base flood.”

“Public safety and nuisance” as related to Article VI, Variance Procedure, of this chapter means that the granting of a variance must not result in anything which is injurious to safety or health of an entire community or neighborhood, or any considerable number of persons, or unlawfully obstructs the free passage or use, in the customary manner, of any navigable lake or river, bay, stream, canal, or basin.

“Recreational vehicle” means a vehicle which is:

1. Built on a single chassis;
2. Four hundred square feet or less when measured at the largest horizontal projection;
3. Designed to be self-propelled or permanently towable by a light-duty truck; and
4. Designed primarily not for use as a permanent dwelling but as temporary living quarters for recreational, camping, travel, or seasonal use.

“Regulatory floodway” means the channel of a river or other watercourse and the adjacent land areas that must be reserved in order to discharge the base flood without cumulatively increasing the water surface elevation more than one foot.

“Remedy a violation” means to bring the structure or other development into compliance with State or local floodplain management regulations, or, if this is not possible, to reduce the impacts of its noncompliance. Ways that impacts may be reduced include protecting the structure or other affected development from flood damages, implementing the enforcement provisions of the ordinance or otherwise deterring future similar violations, or reducing State or Federal financial exposure with regard to the structure or other development.

“Riverine” means relating to, formed by, or resembling a river (including tributaries), stream, brook, etc.

Sheet Flow Area. See “area of shallow flooding.”

“Special flood hazard area (SFHA)” means an area in the floodplain subject to a one percent or greater chance of flooding in any given year. It is shown on an FHBM or FIRM as Zone A, AO, A1 – A30, AE, A99, or AH.

“Start of construction” includes substantial improvement and other proposed new development and means the date the building permit was issued, provided the actual start of construction, repair, reconstruction, rehabilitation, addition, placement, or other improvement was within 180 days from the date of the permit. The “actual start” means either the first placement of permanent construction of a structure on a site, such as the pouring of slabs or footings, the installation of piles, the construction of columns, or any work beyond the stage of excavation; or the placement of a manufactured home on a foundation. Permanent construction does not include land preparation, such as clearing, grading, and filling; nor does it include the installation of streets and/or walkways; nor does it include excavation for a basement, footings, piers, or foundations or the erection of temporary forms; nor does it include the installation on the property of accessory buildings, such as garages or sheds not occupied as dwelling units or not part of the main structure. For a substantial improvement, the “actual start of construction” means the first alteration of any wall, ceiling, floor, or other structural part of a building, whether or not that alteration affects the external dimensions of the building.

“Structure” means a walled and roofed building that is principally above ground; this includes a gas or liquid storage tank or a manufactured home.

“Substantial damage” means damage of any origin sustained by a structure whereby the cost of restoring the structure to its before-damaged condition would equal or exceed 50 percent of the market value of the structure before the damage occurred.

“Substantial improvement” means any reconstruction, rehabilitation, addition, or other proposed new development of a structure, the cost of which equals or exceeds 50 percent of the market value of the structure before the start of construction of the improvement. This term includes structures which have incurred substantial damage, regardless of the actual repair work performed. The term does not, however, include either:

1. Any project for improvement of a structure to correct existing violations of State or local health, sanitary, or safety code specifications which have been identified by the local code enforcement official and which are the minimum necessary to assure safe living conditions; or
2. Any alteration of an historic structure; provided, that the alteration will not preclude the structure’s continued designation as an historic structure.

“Variance” means a grant of relief from the requirements of this chapter which permits construction in a manner that would otherwise be prohibited by this chapter.

“Violation” means the failure of a structure or other development to be fully compliant with this chapter. A structure or other development without the elevation certificate, other certifications, or other evidence of compliance required in this chapter is presumed to be in violation until such time as that documentation is provided.

“Water surface elevation” means the height, in relation to the National Geodetic Vertical Datum (NGVD) of 1929 (or other datum, where specified), of floods of various magnitudes and frequencies in the floodplains of coastal or riverine areas.

“Watercourse” means a lake, river, creek, stream, wash, arroyo, channel or other topographic feature on or over which waters flow at least periodically. “Watercourse” includes specifically designated areas in which substantial flood damage may occur. (Ord. 2014-4 § 2 (Att. A), 6-10-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 2000-4 § 2.0, 9-12-2000; Ord. 95-1, 3-28-1995)

Article III. General Provisions

4.11.060 Lands to which this chapter applies.

This chapter shall apply to all areas of special flood hazard within the jurisdiction of the City of Newman. (Ord. 2014-4 § 2 (Att. A), 6-10-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 2000-4 § 3.1, 9-12-2000; Ord. 95-1, 3-28-1995)

4.11.070 Basis for establishing the areas of special flood hazard.

The areas of special flood hazard identified by the Federal Insurance Administration (FIA) or the Federal Emergency Management Agency (FEMA) in the Flood Insurance Study (FIS) dated March 1, 1978, and accompanying Flood Insurance Rate Maps (FIRMs), and all subsequent amendments and/or revisions, are hereby adopted by reference and declared to be a part of this chapter. This FIS and attendant mapping is the minimum area of applicability of this chapter and may be supplemented by studies for other areas which allow implementation of this chapter and which are recommended to the City of Newman by the Floodplain Administrator. The study, FIRMs and FBFMs are on file at 1162 Main Street, City Hall. (Ord. 2014-4 § 2 (Att. A), 6-10-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 2000-4 § 3.2, 9-12-2000; Ord. 95-1, 3-28-1995)

4.11.080 Compliance.

No structure or land shall hereafter be constructed, located, extended, converted, or altered without full compliance with the terms of this chapter and other applicable regulations. Violation of the requirements (including violations of conditions and safeguards established in connection with conditions) shall constitute a misdemeanor. Nothing herein shall prevent the City of Newman from taking such lawful action as is necessary to prevent or remedy any violation. (Ord. 2014-4 § 2 (Att. A), 6-10-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 2000-4 § 3.3, 9-12-2000; Ord. 95-1, 3-28-1995)

4.11.090 Abrogation and greater restrictions.

This chapter is not intended to repeal, abrogate, or impair any existing easements, covenants, or deed restrictions. However, where this chapter and another ordinance, easement, covenant, or deed restriction conflict or overlap, whichever imposes the more stringent restrictions shall prevail. (Ord. 2014-4 § 2 (Att. A), 6-10-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 2000-4 § 3.4, 9-12-2000; Ord. 95-1, 3-28-1995)

4.11.100 Interpretation.

In the interpretation and application of this chapter, all provisions shall be:

A. Considered as minimum requirements;

B. Liberally construed in favor of the governing body; and

C. Deemed neither to limit nor repeal any other powers granted under State statutes. (Ord. 2014-4 § 2 (Att. A), 6-10-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 2000-4 § 3.5, 9-12-2000; Ord. 95-1, 3-28-1995)

4.11.110 Warning and disclaimer of liability.

The degree of flood protection required by this chapter is considered reasonable for regulatory purposes and is based on scientific and engineering considerations. Larger floods can and will occur on rare occasions. Flood heights may be increased by manmade or natural causes. This chapter does not imply that land outside the areas of special flood hazard or uses permitted within such areas will be free from flooding or flood damages. This chapter shall not create liability on the part of the City of Newman, any officer or employee thereof, the State of California, the Federal Insurance Administration, Federal Emergency Management Agency for any flood damages that result from reliance on this chapter or any administrative decision lawfully made hereunder. (Ord. 2014-4 § 2 (Att. A), 6-10-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 2000-4 § 3.6, 9-12-2000; Ord. 95-1, 3-28-1995)

4.11.120 Severability.

This chapter and the various parts thereof are hereby declared to be severable. Should any section of this chapter be declared by the courts to be unconstitutional or invalid, such decision shall not affect the validity of the chapter as a

whole, or any portion thereof other than the section so declared to be unconstitutional or invalid. (Ord. 2014-4 § 2 (Att. A), 6-10-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 2000-4 § 3.7, 9-12-2000; Ord. 95-1, 3-28-1995)

Article IV. Administration

4.11.130 Establishment of development permit.

A development permit shall be obtained before any construction or other development begins within any area of special flood hazard established in NCC 4.11.070. Application for a development permit shall be made on forms furnished by the Floodplain Administrator and may include, but not be limited to: plans in duplicate drawn to scale showing the nature, location, dimensions, and elevation of the area in question; existing or proposed structures, fill, storage of materials, and drainage facilities; and the location of the foregoing. Specifically, the following information is required:

A. Site plan, including but not limited to:

1. For all proposed structures, spot ground elevations at building corners and 20-foot or smaller intervals along the foundation footprint, or one-foot contour elevations throughout the building site; and
2. Proposed locations of water supply, sanitary sewer, and utilities; and
3. If available, the base flood elevation from the Flood Insurance Study and/or Flood Insurance Rate Map; and
4. If applicable, the location of the regulatory floodway; and

B. Foundation design detail, including but not limited to:

1. Proposed elevation in relation to mean sea level of the lowest floor (including basement) of all structures; and
2. For a crawl-space foundation, location and total net area of foundation openings as required in NCC 4.11.170(C)(3) and FEMA Technical Bulletins TB 1-93 and TB 7-93; and
3. For foundations placed on fill, the location and height of fill, and compaction requirements (compacted to 95 percent using the Standard Proctor Test method); and

C. Proposed elevation in relation to mean sea level to which any nonresidential structure will be floodproofed, as required in NCC 4.11.170(C)(2) and FEMA Technical Bulletin TB 3-93; and

D. All appropriate certifications listed in NCC 4.11.150(D); and

E. Description of the extent to which any watercourse will be altered or relocated as a result of proposed development. (Ord. 2014-4 § 2 (Att. A), 6-10-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 2000-4 § 4.1, 9-12-2000; Ord. 95-1, 3-28-1995)

4.11.140 Designation of the Floodplain Administrator.

The City Manager or designee is hereby appointed to administer, implement, and enforce this chapter by granting or denying development permits in accord with its provisions. (Ord. 2014-4 § 2 (Att. A), 6-10-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 2000-4 § 4.2, 9-12-2000; Ord. 95-1, 3-28-1995)

4.11.150 Duties and responsibilities of the Floodplain Administrator.

The duties and responsibilities of the Floodplain Administrator shall include but not be limited to the following:

A. Permit Review. Review all development permits to determine that:

1. Permit requirements of this chapter have been satisfied;
2. All other required State and Federal permits have been obtained;

3. The site is reasonably safe from flooding; and
4. The proposed development does not adversely affect the carrying capacity of areas where base flood elevations have been determined but a floodway has not been designated. For purposes of this chapter, “adversely affects” means that the cumulative effect of the proposed development when combined with all other existing and anticipated development will increase the water surface elevation of the base flood more than one foot at any point.

B. Review, Use and Development of Other Base Flood Data.

1. When base flood elevation data has not been provided in accordance with NCC 4.11.070, the Floodplain Administrator shall obtain, review, and reasonably utilize any base flood elevation and floodway data available from a Federal or State agency, or other source, in order to administer Article V of this chapter. Any such information shall be submitted to the City Council for adoption; or

2. If no base flood elevation data is available from a Federal or State agency or other source, then a base flood elevation shall be obtained using one of two methods from the FEMA publication “Managing Floodplain Development in Approximate Zone A Areas – A Guide for Obtaining and Developing Base (100-Year) Flood Elevations,” dated July 1995, in order to administer Article V of this chapter:

a. Simplified Method.

- i. One-hundred-year or base flood discharge shall be obtained using the appropriate regression equation found in a U.S. Geological Survey publication, or the discharge-drainage area method; and
- ii. Base flood elevation shall be obtained using the Quick-2 computer program developed by FEMA; or

b. Detailed Method.

- i. One-hundred-year or base flood discharge shall be obtained using the U.S. Army Corps of Engineers’ HEC-HMS computer program; and
- ii. Base flood elevation shall be obtained using the U.S. Army Corps of Engineers’ HEC-RAS computer program.

C. Notification of Other Agencies.

1. Alteration or relocation of a watercourse:

- a. Notify adjacent communities and the California Department of Water Resources prior to alteration or relocation;
- b. Submit evidence of such notification to the Federal Insurance Administration, Federal Emergency Management Agency; and
- c. Assure that the flood carrying capacity within the altered or relocated portion of said watercourse is maintained.

2. Base flood elevation changes due to physical alterations:

- a. Within six months of information becoming available or project completion, whichever comes first, the Floodplain Administrator shall submit or ensure that the permit applicant submits technical or scientific data to FEMA for a letter of map revision (LOMR).
- b. All LOMRs for flood control projects are approved prior to the issuance of building permits. Building permits must not be issued based on conditional letters of map revision (CLOMRs). Approved CLOMRs allow construction of the proposed flood control project and land preparation as specified in the “start of construction” definition.

c. Such submissions are necessary so that upon confirmation of those physical changes affecting flooding conditions, risk premium rates and floodplain management requirements are based on current data.

3. Changes in Corporate Boundaries. Notify FEMA in writing whenever the corporate boundaries have been modified by annexation or other means and include a copy of a map of the community clearly delineating the new corporate limits.

D. Documentation of Floodplain Development. Obtain and maintain for public inspection and make available as needed the following:

1. Certification required by NCC 4.11.170(C)(1) (lowest floor elevations) and 4.11.200;
2. Certification required by NCC 4.11.170(C)(2) (elevation or floodproofing of nonresidential structures);
3. Certification required by NCC 4.11.170(C)(3) (wet floodproofing standard);
4. Certification of elevation required by NCC 4.11.190(B) (subdivision standards); and
5. Certification required by NCC 4.11.220(A) (floodway encroachments).

E. Map Determinations. Make interpretations, where needed, as to the exact location of the boundaries of the areas of special flood hazard. Where there appears to be a conflict between a mapped boundary and actual field conditions, grade and base flood elevations shall be used to determine the boundaries of the special flood hazard area. The person contesting the location of the boundary shall be given a reasonable opportunity to appeal the interpretation as provided in Article VI of this chapter.

F. Remedial Action. Take action to remedy violations of this chapter as specified in NCC 4.11.080. (Ord. 2014-4 § 2 (Att. A), 6-10-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 2000-4 § 4.3, 9-12-2000; Ord. 95-1, 3-28-1995)

4.11.160 Appeals.

The City Council of the City of Newman shall hear and decide appeals when it is alleged there is an error in any requirement, decision, or determination made by the Floodplain Administrator in the enforcement or administration of this chapter. (Ord. 2014-4 § 2 (Att. A), 6-10-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 2000-4 § 4.4, 9-12-2000; Ord. 95-1, 3-28-1995)

Article V. Provisions for Flood Hazard Reduction

4.11.170 Standards of construction.

In all areas of special flood hazard, the following standards are required:

A. Anchoring.

1. All new construction and substantial improvements shall be adequately anchored to prevent flotation, collapse or lateral movement of the structure resulting from hydrodynamic and hydrostatic loads, including the effects of buoyancy.
2. All manufactured homes shall meet the anchoring standards of NCC 4.11.200.

B. Construction Materials and Methods. All new construction and substantial improvement shall be constructed:

1. With flood-resistant materials as specified in FEMA Technical Bulletin TB 2-93, and utility equipment resistant to flood damage;
2. Using methods and practices that minimize flood damage;

3. With electrical, heating, ventilation, plumbing and air conditioning equipment and other service facilities that are designed and/or located so as to prevent water from entering or accumulating within the components during conditions of flooding; and
4. If within Zones AH or AO, so that there are adequate drainage paths around structures on slopes to guide flood waters around and away from proposed structures.

C. Elevation and Floodproofing. (See NCC 4.11.050 definitions for “basement,” “lowest floor,” “new construction,” “substantial damage” and “substantial improvement.”)

1. Residential construction, new or substantial improvement, shall have the lowest floor, including basement:

a. In an AO Zone, elevated above the highest adjacent grade to a height equal to or exceeding the depth number specified in feet on the FIRM, or elevated at least two feet above the highest adjacent grade if no depth number is specified. (The State of California recommends that in AO Zones without velocity the lowest floor be elevated above the highest adjacent grade to a height exceeding the depth number specified in feet on the FIRM by at least two feet or elevated at least four feet above the highest adjacent grade if no depth number is specified.) Upon the completion of the structure, the elevation of the lowest floor including basement shall be certified by a registered professional engineer or surveyor, and verified by the Community Building Inspector to be properly elevated. Such certification and verification shall be provided to the Floodplain Administrator and is required within six months of project completion, submittal of technical data to FEMA for a letter of map revision.

b. In an A Zone, elevated to or above the base flood elevation; said base flood elevation shall be determined by one of the methods in NCC 4.11.150(B). (The State of California recommends the lowest floor be elevated at least two feet above the base flood elevation, as determined by the community.) Upon the completion of the structure, the elevation of the lowest floor including basement shall be certified by a registered professional engineer or surveyor, and verified by the Community Building Inspector to be properly elevated. Such certification and verification shall be provided to the Floodplain Administrator and is required within six months of project completion, submittal of technical data to FEMA for a letter of map revision.

c. In all other zones, elevated to or above the base flood elevation. (The State of California recommends the lowest floor be elevated at least two feet above the base flood elevation.)

2. Nonresidential construction, new or substantial improvement, shall either be elevated to conform with subsection (C)(1) of this section or together with attendant utility and sanitary facilities:

a. Be floodproofed below the elevation recommended under subsection (C)(1) of this section so that the structure is watertight with walls substantially impermeable to the passage of water;

b. Have structural components capable of resisting hydrostatic and hydrodynamic loads and effects of buoyancy; and

c. Be certified by a registered professional engineer or architect that the standards of this section are satisfied. Such certification shall be provided to the Floodplain Administrator.

3. All new construction and substantial improvement with fully enclosed areas below the lowest floor (excluding basements) that are usable solely for parking of vehicles, building access or storage, and which are subject to flooding, shall be designed to automatically equalize hydrostatic flood forces on exterior walls by allowing for the entry and exit of flood water. Designs for meeting this requirement shall follow the guidelines in FEMA Technical Bulletins TB 1-93 and TB 7-93, and must exceed the following minimum criteria:

a. Have a minimum of two openings having a total net area of not less than one square inch for every square foot of enclosed area subject to flooding. The bottom of all openings shall be no higher than one foot above grade. Openings may be equipped with screens, louvers, valves or other coverings or devices; provided, that they permit the automatic entry and exit of flood water; or

b. Be certified by a registered professional engineer or architect.

4. Manufactured homes shall also meet the standards in NCC 4.11.200. (Ord. 2014-4 § 2 (Att. A), 6-10-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 2000-4 § 5.1, 9-12-2000; Ord. 95-1, 3-28-1995)

4.11.180 Standards for utilities.

A. All new and replacement water supply and sanitary sewage systems shall be designed to minimize or eliminate:

1. Infiltration of flood waters into the systems; and
2. Discharge from the systems into flood waters.

B. On-site waste disposal systems shall be located to avoid impairment to them, or contamination from them, during flooding. (Ord. 2014-4 § 2 (Att. A), 6-10-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 2000-4 § 5.2, 9-12-2000; Ord. 95-1, 3-28-1995)

4.11.190 Standards for subdivisions.

A. All preliminary subdivision proposals shall identify the special flood hazard area and the elevation of the base flood.

B. All subdivision plans will provide the elevation of proposed structure(s) and pad(s). If the site is filled above the base flood elevation, the lowest floor and pad elevations shall be certified by a registered professional engineer or surveyor and provided to the Floodplain Administrator.

C. All subdivision proposals shall be consistent with the need to minimize flood damage.

D. All subdivision proposals shall have public utilities and facilities such as sewer, gas, electrical and water systems located and constructed to minimize flood damage.

E. All subdivisions shall provide adequate drainage to reduce exposure to flood hazards.

F. All new subdivision proposals and other proposed developments (including proposals for manufactured home parks and subdivisions) greater than 50 lots or five acres, whichever is the lesser, shall include within such proposals base flood elevation data. (Ord. 2014-4 § 2 (Att. A), 6-10-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 2000-4 § 5.3, 9-12-2000; Ord. 95-1, 3-28-1995)

4.11.200 Standards for manufactured homes.

A. All manufactured homes that are placed or substantially improved, within Zones A1 – 30, AH, and AE on the community's Flood Insurance Rate Map, on sites located:

1. Outside of a manufactured home park or subdivision;
2. In a new manufactured home park or subdivision;
3. In an expansion to an existing manufactured home park or subdivision; or
4. In an existing manufactured home park or subdivision on a site upon which a manufactured home has incurred "substantial damage" as the result of a flood;

shall be elevated on a permanent foundation such that the lowest floor of the manufactured home is elevated to or above the base flood elevation (the State of California recommends at least two feet above the base flood elevation) and be securely fastened to an adequately anchored foundation system to resist flotation, collapse, and lateral movement.

B. All manufactured homes to be placed or substantially improved on sites in an existing manufactured home park or subdivision within Zones A1 – 30, AH, and AE on the community's Flood Insurance Rate Map that are not subject to

the provisions of subsection (A) of this section will be securely fastened to an adequately anchored foundation system to resist flotation, collapse, and lateral movement, and be elevated so that either the:

1. Lowest floor of the manufactured home is at or above the base flood elevation (the State of California recommends at least two feet above the base flood elevation); or
2. Manufactured home chassis is supported by reinforced piers or other foundation elements of at least equivalent strength that are no less than 36 inches in height above grade.

Upon the completion of the structure, the elevation of the lowest floor including basement shall be certified by a registered professional engineer or surveyor, and verified by the Community Building Inspector to be properly elevated. Such certification and verification shall be provided to the Floodplain Administrator. (Ord. 2014-4 § 2 (Att. A), 6-10-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 2000-4 § 5.4, 9-12-2000; Ord. 95-1, 3-28-1995)

4.11.210 Standards for recreational vehicles.

A. All recreational vehicles placed on sites within Zones A1 – 30, AH, and AE on the community's Flood Insurance Rate Map will either:

1. Be on the site for fewer than 180 consecutive days, and be fully licensed and ready for highway use – a recreational vehicle is ready for highway use if it is on its wheels or jacking system, is attached to the site only by quick-disconnect-type utilities and security devices, and has no permanently attached additions; or
2. Meet the permit requirements of Article IV of this chapter and the elevation and anchoring requirements for manufactured homes in NCC 4.11.200(A). (Ord. 2014-4 § 2 (Att. A), 6-10-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 2000-4 § 5.5, 9-12-2000; Ord. 95-1, 3-28-1995)

4.11.220 Floodways.

Located within areas of special flood hazard established in NCC 4.11.070 are areas designated as floodways. Since the floodway is an extremely hazardous area due to the velocity of flood waters, which carry debris, potential projectiles, and erosion potential, the following provisions apply:

A. Prohibit encroachments, including fill, new construction, substantial improvement, and other new development unless certification by a registered professional engineer is provided demonstrating that encroachments shall not result in any increase in the base flood elevation during the occurrence of the base flood discharge.

B. If subsection (A) of this section is satisfied, all new construction, substantial improvement, and other proposed new development shall comply with all other applicable flood hazard reduction provisions of this article. (Ord. 2014-4 § 2 (Att. A), 6-10-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 2000-4 § 5.6, 9-12-2000; Ord. 95-1, 3-28-1995)

Article VI. Variance Procedure

4.11.230 Nature of variances.

A. The variance criteria set forth in this article are based on the general principle of zoning law that variances pertain to a piece of property and are not personal in nature. A variance may be granted for a parcel of property with physical characteristics so unusual that complying with the requirements of this chapter would create an exceptional hardship to the applicant or the surrounding property owners. The characteristics must be unique to the property and not be shared by adjacent parcels. The unique characteristic must pertain to the land itself, not to the structure, its inhabitants, or the property owners.

B. It is the duty of the City Council to help protect its citizens from flooding. This need is so compelling and the implications of the cost of insuring a structure built below flood level are so serious that variances from the flood elevation or from other requirements in the flood ordinance are quite rare. The long-term goal of preventing and reducing flood loss and damage can only be met if variances are strictly limited. Therefore, the variance guidelines provided in this chapter are more detailed and contain multiple provisions that must be met before a variance can be

properly granted. The criteria are designed to screen out those situations in which alternatives other than a variance are more appropriate. (Ord. 2014-4 § 2 (Att. A), 6-10-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 2000-4 § 6.1, 9-12-2000; Ord. 95-1, 3-28-1995)

4.11.240 Appeal Board.

A. In passing upon requests for variances, the City Council shall consider all technical evaluations, all relevant factors, standards specified in other sections of this chapter, and the:

1. Danger that materials may be swept onto other lands to the injury of others;
2. Danger of life and property due to flooding or erosion damage;
3. Susceptibility of the proposed facility and its contents to flood damage and the effect of such damage on the existing individual owner and future owners of the property;
4. Importance of the services provided by the proposed facility to the community;
5. Necessity to the facility of a waterfront location, where applicable;
6. Availability of alternative locations for the proposed use which are not subject to flooding or erosion damage;
7. Compatibility of the proposed use with existing and anticipated development;
8. Relationship of the proposed use to the comprehensive plan and floodplain management program for that area;
9. Safety of access to the property in time of flood for ordinary and emergency vehicles;
10. Expected heights, velocity, duration, rate of rise, and sediment transport of the flood waters expected at the site; and
11. Costs of providing governmental services during and after flood conditions, including maintenance and repair of public utilities and facilities such as sewer, gas, electrical, and water systems, and streets and bridges.

B. Any applicant to whom a variance is granted shall be given written notice over the signature of a community official that:

1. The issuance of a variance to construct a structure below the base flood level will result in increased premium rates for flood insurance up to amounts as high as \$25.00 for \$100.00 of insurance coverage; and
2. Such construction below the base flood level increases risks to life and property. It is recommended that a copy of the notice shall be recorded by the Floodplain Administrator in the Office of the Stanislaus County Recorder and shall be recorded in a manner so that it appears in the chain of title of the affected parcel of land.

C. The Floodplain Administrator will maintain a record of all variance actions, including justification for their issuance, and report such variances issued in its biennial report submitted to the Federal Insurance Administration, Federal Emergency Management Agency. (Ord. 2014-4 § 2 (Att. A), 6-10-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 2000-4 § 6.2, 9-12-2000; Ord. 95-1, 3-28-1995)

4.11.250 Conditions for variances.

A. Generally, variances may be issued for new construction, substantial improvement, and other proposed new development to be erected on a lot of one-half acre or less in size contiguous to and surrounded by lots with existing structures constructed below the base flood level, providing that the procedures of Articles IV and V of this chapter have been fully considered. As the lot size increases beyond one-half acre, the technical justification required for issuing the variance increases.

B. Variances may be issued for the repair or rehabilitation of historic structures (as defined in NCC 4.11.050) upon a determination that the proposed repair or rehabilitation will not preclude the structure's continued designation as an

historic structure and the variance is the minimum necessary to preserve the historic character and design of the structure.

C. Variances shall not be issued within any mapped regulatory floodway if any increase in flood levels during the base flood discharge would result.

D. Variances shall only be issued upon a determination that the variance is the minimum necessary, considering the flood hazard, to afford relief. "Minimum necessary" means to afford relief with a minimum of deviation from the requirements of this chapter. For example, in the case of variances to an elevation requirement, this means the City Council need not grant permission for the applicant to build at grade, or even to whatever elevation the applicant proposes, but only to that elevation which the City Council believes will both provide relief and preserve the integrity of the local ordinance.

E. Variances shall only be issued upon a:

1. Showing of good and sufficient cause;
2. Determination that failure to grant the variance would result in exceptional hardship (as defined in NCC 4.11.050) to the applicant; and
3. Determination that the granting of a variance will not result in increased flood heights, additional threats to public safety, or extraordinary public expense, create a nuisance (as defined in NCC 4.11.050 – see "public safety and nuisance"), cause fraud or victimization (as defined in NCC 4.11.050) of the public, or conflict with existing local laws or ordinances.

F. Variances may be issued for new construction, substantial improvement, and other proposed new development necessary for the conduct of a functionally dependent use; provided, that the provisions of subsections (A) through (E) of this section are satisfied and that the structure or other development is protected by methods that minimize flood damages during the base flood and does not result in additional threats to public safety and does not create a public nuisance.

G. Upon consideration of the factors of NCC 4.11.240(A) and the purposes of this chapter, the City Council may attach such conditions to the granting of variances as it deems necessary to further the purposes of this chapter. (Ord. 2014-4 § 2 (Att. A), 6-10-2014; Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 2000-4 § 6.3, 9-12-2000; Ord. 95-1, 3-28-1995)

4.12.030 Definitions.

Wherever the following words appear in the ~~Uniform~~ **California** Administrative Code, they shall be deemed to mean:

A. “City” shall mean the incorporated area of the City of Newman.

B. “State” shall mean the State of California. (Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 2002-18 § 3, 10-22-2002; Ord. 2002-7 § 3, 10-22-2002; Ord. 99-12 § 3, 3-23-1999; Ord. 90-15, 10-16-1990)

4.12.040 Interpretation and appeals.

In order to provide for a final interpretation of the provisions of this chapter and to hear appeals provided for hereunder, the City Council shall designate a Board of Appeals. Any person dissatisfied with any decision of the Administrative Official may appeal in writing to the Board of Appeals of the City of Newman, which statement shall specify the grounds of such dissatisfaction and shall set forth the address of appellant to which notice may be sent by mail. At the next regular meeting after filing of such appeal, the City Council shall set the same for hearing for a time not later than the next regular meeting of the Board and shall notify the appellant by mail of the time and place of such

hearing, and at such hearing may take such evidence as it shall deem proper, and shall render all decisions and findings in writing to the Administrative Official, with a duplicate copy to the appellant. The decision of the City Council on such appeal shall be final. (Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 2002-18 § 4, 10-22-2002; Ord. 2002-7 § 4, 10-22-2002; Ord. 99-12 § 4, 3-23-1999; Ord. 90-15, 10-16-1990)

4.12.050 Violations and penalties.

A. It shall be unlawful for any person, firm or corporation to erect, construct, enlarge, alter, repair, move, improve, remove, convert or demolish, equip, use, occupy or maintain any building or structure in the City of Newman, or cause or permit the same to be done, contrary to or in violation of any of the provisions of this Code.

B. Any person, firm or corporation violating any of the provisions of this Code shall be deemed guilty of a misdemeanor, and each such person shall be deemed guilty of a separate offense for each and every day or portion thereof during which any violation of any of the provisions of this Code is committed, continued or permitted, and upon conviction of any such violation, such person shall be punishable by a fine of not more than \$500.00, or by imprisonment for not more than 180 days, or by both such fine and imprisonment. Any violation of this chapter may be alternatively charged as an administrative citation. (Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 2002-18 § 5, 10-22-2002; Ord. 2002-7 § 5, 10-22-2002; Ord. 99-12 § 5, 3-23-1999; Ord. 95-14, 12-19-1995)

4.12.060 Validity.

The City Council of the City of Newman hereby declares that should any section, paragraph, sentence or word of this chapter or of the Codes hereby adopted be declared for any reason to be invalid or unconstitutional, it is the intent of the City Council of the City of Newman that it would have passed all other portions of the ordinance codified in this chapter independently of the elimination herefrom of any such portion as may be declared invalid or unconstitutional. 4.13.010 Title.

This chapter shall be known as the Historic Building Preservation of the City of Newman. (Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 96-8, 10-22-1996)

4.13.020 Findings and purposes.

A. Findings. It is hereby found that:

1. The City has many places, sites, buildings, and structures which possess special historic, architectural and cultural interest and value to the community and its citizens; and
2. There is great value in the protection and enhancement of such important places, sites, buildings, and structures which often necessitates appropriate and reasonable consideration upon their appearance and use; including their alteration and reuse, which preserves their unique character and economic value; and
3. The proper use of historic places, sites, buildings, and structures is essentially desirable to the community, but, because of their age, structural nature, or threats from modernization, require special considerations in regard to the applicability of present construction and zoning codes affecting any change in use or structural alteration which could have a negative effect on their unique and important character and economic value.

B. Purposes. The purpose of this chapter is to promote health, safety and general welfare of the citizens of the City through:

1. The protection, enhancement, and perpetuation of structures, sites and areas that are reminders of past eras, events and persons important to local, State or national history, or which provide significant examples of architectural styles of the past, or are elements in the history of architecture, or reflect the phases of the City's development, or which are unique and irreplaceable assets to the City and its neighborhoods, or which provide for this and future generations examples of the physical surroundings in which past generations lived.
2. The enhancement of tourism and the economy of the City by protecting and preserving places having special and unique character and interest.

3. Support of the efforts of property owners to preserve, protect, and/or renovate historic and architecturally significant buildings/structures through financial incentive programs such as the Mills Act and the City's Downtown Facade Improvement Program and Housing Rehabilitation Program.
4. Fostering public appreciation of, and civic pride in, the beauty of the City and the accomplishments of its past.
5. Allowing the use of the State Historic Building Code (SHBC) by declaring the importance of designated structures to Newman's history, architecture, and local culture. The SHBC provides an alternative to the California Building Code by recognizing the unique construction problems inherent in historical buildings while maintaining acceptable life safety standards.
6. Promoting the enhancement of property values, the stabilization and improvement of neighborhoods and areas of the City, and the increase of economic and financial benefits to the City and its inhabitants.
7. Contributing to the preservation and encouragement of a City of varied architectural styles, reflecting the distinct phases of its history – cultural, social, economic, political and architectural.
8. Promoting the public's awareness of the benefits of preservation including encouragement of public participation in identifying and preserving historical and architectural resources, thereby increasing community pride in the City's cultural heritage. (Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 96-8, 10-22-1996)

4.13.030 Area of application.

This chapter shall apply to all cultural and historical resources within the City as identified on the City of Newman's Inventory of Historic Resources. In addition, historic structures as defined herein shall include the exterior portions of any primary building and also related accessory structures of the same period construction but shall not apply to the interior of the designated structure. (Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 96-8, 10-22-1996)

4.13.040 Ordinary maintenance and repair.

Nothing in this chapter shall be construed to prevent the ordinary maintenance or repair of any exterior architectural feature in or on an historic resource that does not involve a change in design, material or appearance thereof. This chapter does not prevent the construction, reconstruction, restoration, demolition, or removal of any such feature when the Chief Building Official certifies to the Architectural Review Committee that such action is required for the public safety due to an unsafe condition which cannot be rectified through the uses of the State Historical Building Code and following of the California Health and Safety Code as the same exists or may hereafter be amended. (Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 96-8, 10-22-1996)

4.13.050 Definitions.

"Alteration" means any change to or modification of an historic resource.

"Architectural" means anything pertaining to the science, art or profession of designing and constructing buildings.

"Architectural Review Committee" means the Committee established under this Code.

"Culture" or "cultural" means anything pertaining to the concept, skills, habits, arts, instruments, or institutions of a given people at a given point in time.

"District" or "historic district" or "historic preservation area" means a geographically definable area within the City of Newman possessing a significant concentration, linkage, or continuity of historic resources and which has been so designated pursuant to this chapter.

"Historic resource" means a structure, natural feature, site or other artifact of architectural, artistic, cultural, engineering, aesthetic, archaeological, historical, political, or social significance to the citizens of the City of Newman, the State, or the Nation and formally designated by the City of Newman in accordance with the provisions of this chapter. A "historic resource" also includes a resource listed in the State and/or National Register of Historic Resources.

“Local historic resources inventory” means the inventory of historic resources (including structures of architectural, cultural and historical significance) located within the City of Newman.

“Material change” means a change, as defined herein, in the design, material, or appearance of an exterior architectural feature in or on an historic resource.

“Natural feature” means any tree, plant life, geographical or geological site or feature.

“Owner” means any person, association, partnership, firm, corporation or public entity appearing as the holder of title on any property as shown on the records of the County Assessor or on the last assessment roll of the County of Stanislaus, as applicable.

“Preservation” means the identification, study, protection, restoration, rehabilitation, or acquisition of cultural resources.

“Residentially used property” shall mean any owner-occupied building or structure, and accessory structures, located within an R District and used for single-family residential purposes, when used within the context of this chapter.

“Site” means a place or plot of land where something was, is or will be.

“Structure” means a building or any other manmade object affixed on or under the ground. (Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 96-8, 10-22-1996)

4.13.060 Architectural Review Committee.

A. The City’s Architectural Review Committee shall be the advisory agency for carrying out the duties and responsibilities identified under this chapter.

B. As per this Code, the Architectural Review Committee shall consist of the following five members:

1. One Planning Commissioner;
2. One member of the Newman Historical Society;
3. One City resident at large;
4. One member of the business community and/or Chamber of Commerce; and
5. One professional in one or more of the following disciplines:
 - a. Architecture;
 - b. Architectural history;
 - c. Historical remodeling or reconstruction;
 - d. Historic archaeology;
 - e. Historical conservation; or
 - f. Related discipline to the extent such professionals are available in the community of Newman.

C. At least one member of the Architectural Review Committee should be a licensed building contractor. (Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 96-8, 10-22-1996)

4.13.070 Powers and duties of the Architectural Review Committee.

The Architectural Review Committee shall have the following powers and duties:

A. Following formal notification to the property owner of record, the designation of historic resources within the City.

- B. Review design and/or building permit plans for construction, alteration, or demolition of designated historic resources.
- C. Consult with and consider the general ideas and recommendations of civic groups, public agencies, and citizens interested in historic preservation.
- D. View structures, sites and areas which it has reason to believe are worthy of preservation.
- E. Disseminate information to the public concerning those structures, sites and areas deemed worthy of preservation, and encourage and advise property owners and members of the community generally in the protection, enhancement, perpetuation and use of property designated historic.
- F. Consider methods other than those provided for in this chapter for encouraging and achieving historical or architectural preservation.
- G. Conduct a review of the inventory of historic resources and update the inventory every two years or as deemed appropriate. (Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 96-8, 10-22-1996)

4.13.080 Criteria for historic designation.

An historic resource structure is normally considered a structure of over 50 years of age as determined by the records of the Stanislaus County Assessor's Office. In considering a proposal for designation as an historic resource, the Architectural Review Committee shall apply a minimum of two of the following criteria:

- A. Its character, interest or value as a significant part of the heritage of the City, the State or the Nation.
- B. Its location as a site of a significant historic event.
- C. Its identification with a person or persons who significantly contribute to the culture and development of the City, the State or the Nation.
- D. Its exemplification of a particular architectural style or way of life.
- E. Its exemplification of the best remaining architectural type in the City.
- F. Its identification as the creation, design or work of a person or persons whose efforts have significantly influenced the heritage of the City, the State or the Nation.
- G. Its embodiment of elements demonstrating outstanding attention to artistic, architectural and/or engineering design, detail, materials, or craftsmanship.
- H. Its relationship to any other historic resource if its preservation is essential to the integrity of the other historic resource.
- I. Its unique location or singular physical characteristics representing an established and familiar visual feature of the City.
- J. Its potential of yielding significant information of archaeological interests.
- K. Its integrity as a natural feature that strongly contributes to the well-being of the people of the City, the State, or the Nation.
- L. The Architectural Review Committee shall, in making its determination for historic resource designations, consider the above criteria and make the following findings:
 - 1. The property, place, site, building, structure, or use has special local historical, architectural, archaeological, or cultural interest that embodies the character and history of the City;

2. The unique character and history of the City are reflected in the cultural, historical, economic and architectural heritage embodied in said property, place, site, building, structure or use which should be preserved as living parts of the community;
3. The property, place, site, building, structure or use is facing increasing pressures of modernization and may be threatened with demolition or decay;
4. The request for designation represents an area of special natural beauty and aesthetic interest, the preservation of which would enhance the economy of the City by promoting such areas as market draws or tourist attractions;
5. The property is listed on the National Register of Historic Places or any State or County official register of historical or architecturally significant sites, places, or landmarks or is to be listed on the City register of historically or architecturally significant sites, places, or landmarks;
6. The property owner of record has been formally notified by certified U.S. mail that their property was being considered for designation as an historic resource and was provided with an opportunity to address the Committee regarding the merits of designation and that the property owner's comments were considered in the determination. (Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 96-8, 10-22-1996)

4.13.090 Procedures for historic designation of homes not on the City of Newman local historic resources inventory.

A. Commercially Used Property. Upon its own application, or upon an application filed with the Architectural Review Committee by the property owner, the Architectural Review Committee may designate a commercially used historic resource, subject to appeal to the Planning Commission and the City Council.

B. Residentially Used Property. Upon an application filed with the Architectural Review Committee by the property owner, the Architectural Review Committee may designate a residentially used historic resource, subject to appeal to the Planning Commission and the City Council.

C. Designation Procedure. The procedure for designation of historic resources is as follows:

1. The application shall include the following data:
 - a. Assessor's parcel number of the site or legal description;
 - b. Description detailing the proposed resource's special aesthetic, cultural, architectural, artistic, or engineering interest or value of an historic nature;
 - c. Sketches, drawings, photographs, or other descriptive materials;
 - d. Statement of condition of structures;
 - e. Other material or information requested by the Architectural Review Committee.
2. Prior to approval or approval with modification, the Architectural Review Committee shall find:
 - a. That the proposed structure, natural feature, site or district has significance as an historic resource; and
 - b. That the proposed designation may be made without imposing an undue hardship upon the owner(s) of the property(ies); and
 - c. That approval or approval with modification(s) of the application is consistent with the purpose and criteria of this chapter.
3. The recommendation of the Architectural Review Committee, approved by at least three affirmative votes, shall be approved unless reversed by the Planning Commission or on appeal by the City Council.

4. Following approval of the designation, the Architectural Review Committee shall send to the owner(s) of the property(ies) so designated a letter outlining the basis for such designation, and the regulations resulting from such designation. The Architectural Review Committee may also forward a copy of the letter to any other department or agency requesting it or that the Architectural Review Committee considers affected by the designation.

5. Once designated, the property shall then be listed on the Inventory of Historic Resources. The inventory shall be reviewed by the Architectural Review Committee every two years.

6. Within 90 days of designation of a building or structure as an historic resource in accordance with the provisions of this chapter, a document shall be recorded by the City in the office of the Stanislaus County Recorder. The document to be recorded shall contain the name of the owner or owners, a legal description of the property, the date and substance of the designation, a statement explaining that the demolition, alteration, or relocation of the structure is restricted, and a reference to this section authorizing the recordation.

7. For 24 months from the effective date of the ordinance codified in this chapter, all appeal fees attributable to the implementation of these provisions shall be paid by the City and/or the Newman Redevelopment Agency. (Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 96-8, 10-22-1996)

4.13.100 Zoning regulations.

The provisions of this chapter are intended to complement and support the provisions of NCC 5.13.030. Where an historic resource is located within an H District, and the provisions of this chapter are more restrictive than the provisions of the H District, the provisions of this chapter shall apply. Similarly, although a building or structure is located within an H District, unless the building or structure is designated as an historic resource, the provisions of this chapter shall not apply to any proposed construction and such work shall be governed exclusively by the provisions of the H District, any underlying zoning or other building code or similar provisions. (Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 96-8, 10-22-1996)

4.13.110 Scope of alterations.

A. Any replacement of elements of any structure in a manner which may become inconsistent with proposed regulations preserving the original construction of such structure is hereby limited. Structural elements regulated herein are defined as any exterior visible portion of the structure, including:

1. Roof;
2. Eaves;
3. Fascia and siding;
4. Masonry walls and supports;
5. Porches, landings, outside stairs;
6. Columns of walls;
7. Windows and frames;
8. Auxiliary buildings;
9. Doors.

B. Except as otherwise provided in this chapter, no exterior alteration to any and/or all of the above-listed structural elements shall be carried out unless the Chief Building Official and/or the Architectural Review Committee has determined that the alteration utilizes materials in a manner compatible with the existing or original construction and design of the structure. (Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 96-8, 10-22-1996)

4.13.120 Alteration of an historic resource – Permit required.

Except as otherwise provided in this chapter:

A. No person shall carry out or cause to be carried out on an historic resource any material change through alteration, construction, or relocation, unless the applicant has secured the required building permit.

B. Any person who plans the demolition, construction, alteration, relocation or removal of an historic resource or part thereof shall first submit an application to the City. Copies of the plans for the proposed work shall accompany the application. As a minimum, the application and plans shall contain the following data:

1. A clear statement of the proposed work;
2. Plans describing the size, height and appearance of the proposed work and its relationship to adjacent structures;
3. A site plan showing all existing buildings and structures and the proposed work;
4. Reasons for demolition if demolition is proposed;
5. Other information deemed necessary by the City to properly evaluate the proposal.

C. Except as otherwise provided in this chapter, no permit for the demolition, exterior construction, or alteration, relocation or removal of an historic resource or part thereof shall be issued until such application has been reviewed and approved by the Architectural Review Committee.

D. In the case where a permit has been applied for and the property owner plans to alter (utilizing materials not compatible with existing or original materials), demolish, relocate or remove an historic resource, the following shall apply:

1. The Architectural Review Committee shall consider, among other things, the purpose of this chapter and the historic architectural value and significance of the historic resource, as well as present and prospective effects or hardships (economic, financial, or otherwise) upon the owners and occupants of the affected properties. The Architectural Review Committee shall take into consideration architectural features of the building or structure in question, other buildings within any Historic District, and the position of such building or structure in relation to the street or public way and to other buildings and structures. The United States Secretary of the Interior's Guidelines for Rehabilitation shall provide base criteria for evaluating proposed alterations to an historic resource.
2. The Committee may approve, approve with modifications, or disapprove the application.
3. Prior to approval, or approval with modifications, the Architectural Review Committee shall find that:
 - a. The action proposed is consistent with the purposes of this chapter; and
 - b. The action proposed will not be detrimental to a structure or feature of significance as an historic resource; and
 - c. The applicant has demonstrated that the action is necessary to correct an unsafe or dangerous condition on the property; or
 - d. The applicant has demonstrated that denial of the application will result in immediate, undue, or substantial hardship (economic, financial, or otherwise); and
 - e. If the finding in subsection (D)(3)(a) of this section, and either finding in subsection (D)(3)(b), (c), or (d) of this section, cannot be made, then the building permit shall be denied.

4. A final determination, along with the written findings, shall be rendered by the Architectural Review Committee within 45 calendar days of receipt of the application, unless extended by mutual consent of the owner and the Architectural Review Committee.

5. Action of the Architectural Review Committee shall be deemed final, unless appealed. No building permit shall be issued until the time period for appeal has expired. Such appeal by the applicant, owner, or any person or entity dissatisfied with the action of the Architectural Review Committee shall be filed with the City Clerk within 10 days of the date of approval, conditional approval, or disapproval by the Architectural Review Committee.

The appeal shall set forth specifically where the petitioner believes the Architectural Review Committee's findings to be in error, and shall be accompanied by such fees as established from time to time by resolution of the City Council (as per NCC 1.16.010). On appeal, the Planning Commission may grant or deny the appeal, conditionally grant the appeal, or refer the matter to the Architectural Review Committee for further consideration.

6. The provisions of this section shall not apply to the following:

a. Where an historic resource has been damaged by fire, earthquake or other act of God to the extent that it cannot be repaired or restored with reasonable diligence, and where demolition of such structure, natural feature or site is being undertaken with prior approval of the City's Chief Building Official.

b. Where hazardous conditions exist as determined by the Chief Building Official and said hazardous conditions must be corrected immediately in the interest of the public health, safety and welfare. (Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 96-8, 10-22-1996)

4.13.130 Duty to keep in good repair.

The owner, occupant, or other person in actual charge of an historic resource, or part thereof, shall keep in good repair all of the exterior portions of such building(s), or structure(s), and all interior portions whose maintenance is necessary to prevent deterioration and decay of any exterior architectural feature. It shall be the duty of the Chief Building Official to enforce this section. (Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 96-8, 10-22-1996)

4.13.140 Enforcement.

In addition to the regulations of this chapter, other parts of this Municipal Code and other provisions of law which govern the approval or disapproval of applications for permits or licenses covered by this chapter, the Chief Building Official shall have the authority to implement enforcement of this chapter by any of the following means:

A. Serve notice requiring the removal of any violation of this chapter upon the owner, agent, occupant or tenant of the historic resource.

B. Call upon the City Attorney to initiate any necessary legal proceedings for enforcement of this chapter, and the City Attorney is hereby authorized to institute any legal actions toward that end.

C. Call upon the Police Chief and/or other sworn police officer to assist in the enforcement of this chapter. In addition to any of the foregoing remedies, the City Attorney may maintain an action for injunctive relief to restrain or enjoin or to cause the correction or removal of any violation of this chapter. (Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 96-8, 10-22-1996)

4.13.150 Penalties.

Any person violating or failing to comply with the provisions of this chapter shall be guilty of a misdemeanor. Any violation of this chapter may be alternatively charged as an administrative citation. (Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 96-8, 10-22-1996)

4.13.160 CEQA.

A. Pursuant to the California Environmental Quality Act (CEQA), this chapter is exempt under the provision of Section 15061(B)(3), known as the "general or common sense" rule exemption. This section of the guidelines

provides that where it can be seen with certainty that an action will not have a significant effect on the environment, it is exempt from CEQA.

B. In addition, this chapter is categorically exempt from CEQA under Section 15308 of the CEQA Guidelines, because it is a regulatory action taken by the City in the exercise of its authority pursuant to Government Code Section 65858, to assure completion of a contemplated change to City standards which the City is studying, revising and contemplating adopting within a reasonable period of time. (Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010; Ord. 2007-10 § 1, 11-27-2007; Ord. 96-8, 10-22-1996)

SAFETY ASSESSMENT PLACARDS

Sections:

- 4.22.010 Intent.
- 4.22.020 Application of provisions.
- 4.22.030 Definitions.
- 4.22.040 Placards.

4.22.010 Intent.

This chapter establishes standard placards to be used to indicate the condition of a structure for continued occupancy. This chapter further authorizes the Building Official and his or her authorized representatives to post the appropriate placard at each entry point to a building or structure upon completion of a safety assessment. (Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010)

4.22.020 Application of provisions.

The provisions of this chapter are applicable to all buildings and structures of all occupancies regulated by the City of Newman. The City Council may extend the provisions as necessary. (Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010)

4.22.030 Definitions.

“Safety assessment” is a visual, nondestructive examination of a building or structure for the purpose of determining the condition for continued occupancy. (Ord. 2013-3 § 1 (Att. A), 11-12-2013; Ord. 2010-7 § 1 (Att. A), 10-12-2010)

4.22.040 Placards.

A. The following are verbal descriptions of the official jurisdiction placards to be used to designate the condition for continued occupancy of buildings or structures. Copies of actual placards are attached.

1. “INSPECTED – Lawful Occupancy Permitted” is to be posted on any building or structure wherein no apparent structural hazard has been found. This placard is not intended to mean that there is no damage to the building or structure.
2. “RESTRICTED USE” is to be posted on each building or structure that has been damaged wherein the damage has resulted in some form of restriction to the continued occupancy. The individual who posts this placard will note in general terms the type of damage encountered and will clearly and concisely note the restrictions on continued occupancy.
3. “UNSAFE – Do Not Enter or Occupy” is to be posted on each building or structure that has been damaged such that continued occupancy poses a threat to life safety. Buildings or structures posted with this placard shall not be entered under any circumstance except as authorized in writing by the Building Official, or his or her authorized representative. Safety assessment teams shall be authorized to enter these buildings at any time. This placard is not to be used or considered as a demolition order. The individual who posts this placard will note in general terms the type of damage encountered.

B. This ordinance number, the name of the jurisdiction and its address and phone number shall be permanently affixed to each placard.

C. Once it has been attached to a building or structure, a placard is not to be removed, altered or covered until done so by an authorized representative of the Building Official. It shall be unlawful for any person, firm or corporation to alter, remove, cover or deface a placard unless authorized pursuant to this section.

Chapter 4.23

SMALL RESIDENTIAL ROOFTOP SOLAR PERMITTING PROCEDURES

Sections:

- 4.23.010 Purpose.
- 4.23.020 Definitions.
- 4.23.030 Permitting process.
- 4.23.040 Inspection process.

4.23.010 Purpose.

Section 65850.5 of the California Government Code provides that, on or before September 30, 2015, every city, county, or city and county shall adopt an ordinance that creates an expedited, streamlined permitting process for small residential rooftop solar energy systems. (Ord. 2015-4 § 1 (Att. A), 8-11-2015)

4.23.020 Definitions.

“Electronic submittal” means the utilization of one or more of the following:

1. E-mail;
2. The Internet;
3. Facsimile.

“Small residential rooftop solar energy system” means all of the following:

1. A solar energy system that is no larger than 10 kilowatts alternating current nameplate rating or 30 kilowatts thermal.
2. A solar energy system that conforms to all applicable state fire, structural, electrical, and other building codes as adopted or amended by the City and paragraph (iii) of subdivision (c) of Section 714 of the Civil Code, as such section or subdivision may be amended, renumbered, or redesignated from time to time.
3. A solar energy system that is installed on a single- or duplex-family dwelling.
4. A solar panel or module array that does not exceed the maximum legal building height as defined by the authority having jurisdiction.

“Solar energy system” has the same meaning set forth in paragraphs (1) and (2) of subdivision (a) of Section 801.5 of the Civil Code, as such section or subdivision may be amended, renumbered, or redesignated from time to time. (Ord. 2015-4 § 1 (Att. A), 8-11-2015)

4.23.030 Permitting process.

The expedited, streamlined permitting process for small residential rooftop solar energy systems shall comply with the applicable requirements contained in this title, Building Regulations, and all of the following:

- A. The Department shall develop a checklist of all requirements with which small rooftop solar energy systems shall comply to be eligible for expedited review.
- B. The checklist and required permitting documentation shall be published on a publicly accessible Internet website.
- C. As allowed by available resources, the Department shall allow for electronic submittal of a permit application and associated documentation and shall allow electronic signature in lieu of a wet signature.

D. Upon confirmation by the Department that the application and supporting documentation are complete and meet all requirements of the California Building Standards Code, the Department shall approve the application and issue all required permits. (Ord. 2015-4 § 1 (Att. A), 8-11-2015)

4.23.040 Inspection process.

Small residential rooftop solar energy systems eligible for expedited, streamlined permitting process shall only require one inspection, unless the installation is found to be out of compliance with the California Building Standards Code or a separate fire safety inspection is required. Inspection requests shall be made in compliance with this title, Building Regulations. (Ord. 2015-4 § 1 (Att. A), 8-11-2015)
