## SERVICES GUIDE

Pay your bill online at: [www.cityofnewman.com](http://www.cityofnewman.com)

The City of Newman provides water, sewer, and garbage services. An additional lift station charge applies to some areas. The current charges for these services are:

**WATER:** The monthly residential service charge is \$16.24 plus a meter replacement charge based on meter size. Consumption charges are tiered and start at \$0.82/unit for the first 10 units. Units 11-44 are \$0.99/unit, and any usage over 44 units is \$1.15/unit.

**SEWER:** The charge for residential sewer service is \$37.32 per month.

**GARBAGE:** The garbage charge for a 90 gallon waste wheeler is \$21.76 per month. The charge for a 60 gallon waste wheeler is \$14.87 per month.

**BILLING:** All accounts are billed monthly. Water meters are read every month. The bill is mailed the last week of the month and is due by the 10th of the following month. If your bill is not paid in 30 days, the past due balance will be subject to a 10% penalty. If you fail to pay your bill, a shut off notice will be sent to you. You will then have 48 hours to pay the past due amount. If payment is not received within 48 hours of the shut off notice, your service may be discontinued.

**GARBAGE SERVICE:** All dwellings, apartments, houses, and places of business in which refuse accumulates within the City of Newman are required to use the collection of the City. The garbage container should be placed at the curb/alley the night before the collection. Containers must be stored behind an enclosure and not seen from the public right of way. Collection shall be once a week. If you are unsure of your collection day please call City Hall. The maximum weight of your filled container is 200lbs. **Refuse does not include: rocks, bricks, dirt, plaster, etc.**

**RECYCLING SERVICE:** The separation of refuse and recyclables is encouraged. Items that can be recycled include; paper, aluminum, tin, plastic, cardboard, glass, and used motor oil (only if placed

in a container with a screw on lid next to the recycling can). Items other than the used motor oil should be put in the black recycling can provided. Recycling will occur at the same location as garbage pickup. Your recyclables should be put out **every other** Thursday night for pickup **every other** Friday.

**LEAF AND LIMB PICKUP:** Yard waste may be placed at the curb for pickup November through March. Items should be piled neatly and kept out of the gutter. Tree limbs must be cut in 3 foot lengths and no more than 4 inches in diameter.

**SPRING AND FALL CLEANUP:** Dumpsters are located next to the Corporation Yard for one week normally during April and October for discarding unwanted items. No tires, batteries, or large appliances accepted. Please call City Hall for specific dates.

**WATER CONSERVATION:** The washing down or hosing of recreational vehicles, sidewalks, gutters,

outside structures, or other exterior surfaces without prior written consent of the City Manager or his designee is prohibited. The washing of cars at a residence is allowed only if a quick-acting shut-off hose nozzle is used. **March 1-October 31 all outside watering is prohibited between the hours of 1:00 PM and 6:00 PM.** Any violation of these provisions shall constitute an infraction and be subject to a fine or your service being disconnected. During times of drought, please refer to the City of Newman website for additional restrictions.

**STREET TREES:** All trees planted and growing within the public rights of way, public access easements, streets, parking strips, alleys, roads and ways within the City are city trees. No person shall plant or remove any street tree without first obtaining a permit from the City Clerk. If replacing or planting a new tree within the public right of way, it must be a tree approved for that specific area. It is illegal to trim, prune, abuse, mutilate, or attach anything to a street tree.

**ENCROACHMENT PERMITS:** It is illegal for any person to perform any work within the right of way of any street, alley, or the public property unless a permit for the proposed work has been obtained from the City. Applications for permits must be completed and approved prior to commencement of the work.

**GARAGE/YARD SALES:** The City requires that all sales be licensed. The fee for a permit is \$5.00. The permit entitles the licensee to hold one garage sale provided it does not last longer than three consecutive days. Each resident may not have more than three yard sales per fiscal year (July -June). One sign may be permitted to advertise the sale. The sign can only be displayed at the sale, and only during the hours and dates of the sale. The sign

for the sale can be no longer than six square feet. Signs within the public right-of-way, including those on street trees, utility poles, street signals, street lights, street name signs, or traffic warning signs are prohibited.

**GENERAL PENALTY:** Any person violating or failing to comply with any of the requirements of the City Code is guilty of a misdemeanor. Any person convicted of such a violation can be fined up to \$500.00 and/or up to 6 months in jail.

**RETURNED CHECKS:** The City of Newman charges a \$20.00 fee if your check is returned by the bank unpaid. This fee and the check amount must be paid in cash or by money order within 48 hours.

**RECONNECTION FEE:** If your service is discontinued due to nonpayment, you will be charged a \$25.00 reconnection fee. A deposit may be required to restore service.

**AFTER HOURS PHONE:** If you have a water or sewer emergency after normal business hours please call 678-0352 and a Public Works employee will assist you.

**PARK RENTAL:** Pioneer Park at R and Tulare Streets, and Sherman Park off of Hills Ferry Road are available for rent. The rental fee for Pioneer Park is \$45.00 for residents, and Sherman Park is \$80.00. A deposit is also required a time of reservation. Amplified music is not permitted. If alcohol is to be served, you must obtain a permit from the Police Department at least one week in advance of the planned use.

**MEMORIAL BUILDING RENTAL:** The Louis J. Newman Memorial Building at 649 Orestimba Road is available for rent. For details please call City Hall at 862-3725, Option 2.

## How can you help? Just Read On . . .

More than half of the people who own cars, motorcycles, trucks, and tractors change their own motor oil. In California, only a slim majority of the do-it-yourself oil changers recycle their used oil.

That means millions of gallons of used oil is not disposed of properly. Used oil is often dumped onto the ground, thrown in the trash, or poured down storm drains. This is illegal. The do-it-yourselfer may not be aware that they are contributing to environmental problems.

Used oil contains toxic contaminants, cancer-causing agents, and heavy metals (lead, arsenic, chromium, barium, and cadmium). Used oil that is carried into our waterways, such as the Tuolumne River, through storm drains, can kill fish, birds, and other aquatic wildlife. If used oil is poured onto the ground, it will contaminate the soil and eventually seep into our groundwater supply. Once the soil is contaminated with oil, it can take decades to decompose.

### Prevent Pollution

Take used oil to a collection center or participate in the pick-up program. Use kitty litter to clean-up leaks and spills. Never hose down spills into the gutter. Make needed repairs to vehicles to prevent leaks. Never place used oil containers in recycling totes, wastewheelers, or dumpsters.

### Como puede ayudar? Siga leyendo . . .

No todos quienes cambian su propio aceite lo reciclan. Eso quiere decir que millones de galones de aceite usado son desechados inapropiadamente. Frecuentemente el aceite usado es tirado en la tierra, echado a la basura, o tirado en alcantarillas. Esto es ilegal. Aceite usado tiene contaminantes, toxicos, agentes que causan cancer, y metales pesados (plomo, arsenico, cromo bario, y cadmio). Aceite usado que es llevado a nuestros depositos de agua, como el rio San Joaquiin por los desagues, puede matar pescados, pajaros y otros animales salvajes aquaticos al mismo tiempo que el abono es contaminado con aceite, pueden pasar décadas para descomponerse.

### Prevenga Contaminación

Lleve su aceite usado a un centro de colección o participe en el programa de colección a banqueta. Use una caja de desperdicios del gato para limpiar gotera y derrames. Nunca lave derramos a las alcantarillas. Haga reparaciones necesarias a su vehiculo para prevenir goteras. Nunca ponga contenidos de aceite usado en sus contenedores para reciclar, contenedores de desperdicios, o vetederos.

## Recycle used motor oil. Its easy!

The City's recycling collection program serves single family homes, mobile homes, duplexes, triplexes, and fourplexes.

The used oil is collected manually every other week - the same day as your regular recycling. See the recycling schedule inside.

Pour the used the oil in a clean plastic container with a screw-on lid, such as the container the oil came in. Do not use old antifreeze containers. Place used oil in plastic containers next to your black recycling toter, never inside.

## Recicle aceite usado Es facil!

El programa de recoger los reciclables en la banqueta servira a casa de familias individuales, casas móviles, casas duplex, triplex or cuatruplex.

El aceite usado es recogido manualmente cada dos semanas-el mismo dia que su reciclado regular. Vea su guía adentro para fechas de reciclaje.

Vierta el aceite usado en un recipiente limpio de plástico que tenga un tapón de rosca, tal como el recipiente de aceite original. No use contenedores de anticongelantes viejos. Ponga su aceite usado en un recipiente de plástico junto a su contenedor negro. Nunca lo ponga dentro de su contenedor.

# Recycling DO's and DON'Ts

## Recycling Do's

Place these items in your toter labeled recycling: California redemption value beverage containers, glass bottles and jars, aluminum and steel cans, newspapers, stationery, binder paper, magazines, brown paper bags, corrugated cardboard boxes, cereal boxes, and plastics coded 1, 2, 3, 4, 5, 6 and 7 inside a triangle. Place used oil containers next to your toter.

**Please place your garbage and recycle toters 4 feet apart.**

## Que hacer para reciclar

Ponga los siguientes articulos en su contenedor con una etiqueta que diga reciclar: Recipientes de bebidas de redención de California, botellas y jarras de vidrio, latas de aluminio y acero, periódicos, revistas, bolsas de cartón, cajas de los cereales y plásticos con el código 1, 2, 3, 7 4 en un triángulo. Ponga el aceite usado junto a su contenedor.

## Recycling Don'ts

Do not contaminate recycling by putting yard waste, dirt, cement, bricks, wood, diapers, styrofoam, light bulbs, aluminum foil, pizza boxes, paint, or used motor oil into recycling toters.

## Que no hacer para reciclar

No contamine el reciclaje poniendo en los contenedores desechos, tierra, cemento, ladrillos, madera, pañales, corcho, bombillas, papel de aluminio, pintura, cajas de pizza, o aceite de motor usado.

## GARBAGE RULES AND REGULATIONS

Service Provided by Bertolotti Disposal (209) 537-8000

- Waste-wheeler (City provided garbage can) is to be put on curb or alley the night before pickup/no later than 5 a.m. the day of pickup.
- Lid opening needs to be facing the street.
- Keep waste-wheelers three-feet away from other containers, telephone poles, automobiles, mailboxes, basketball poles or other structures that will prevent the truck's lifting arm from grasping and lifting the waste-wheelers to empty them into the truck
- Be sure the waste-wheeler is placed on a level surface, within three feet of the road's edge.
- Waste-wheeler is for household garbage and yard waste only.
- Lid on waste-wheeler must be closed. Waste-wheelers are not to be over packed. No extra garbage will be picked up.
- In case of mechanical failure, the garbage will be picked up as soon as possible and no later than the next morning.
- Recycling is picked up every other Friday (Glass, Plastic, Newspaper, Cans).
- Holidays are New Years Day, Fourth of July, Thanksgiving Day, and Christmas Day. The pickup will run a day late on these occasions.
- This is an automated service; the driver does not get out of the truck.
- If your garbage is missed, you must report it the **next business day** by calling the Finance Department at (209) 862-3725, Option 2.

Items that never can go in the trash include:
