20 COUNTY CDBG CONSORTIUM

The general goal of the Community Development Block Grant (CDBG) program is to provide decent housing, establish and maintain a suitable living environment and expand economic opportunities for every American; particularly those with lower incomes. In 2005, the City of Newman became a part of the six-member CDBG/ESG consortium that is lead by Stanislaus County. As an entitlement program, the Consortium allows the City to receive an annual allocation of CDBG funds without having to apply and compete for CDBG grants. These allocations are utilized for a variety of projects in the City's income-eligible area and can be carried over from one year to the next if necessary

72 COPS GRANT

The COPS program is a State of California grant that offers cities funding for law enforcement uses such as police officer salaries. The grant is based on population and is a minimum of \$100,000 annually. The City of Newman receives the minimum amount. Revenue from this grant is utilized to fund salaries and benefits of a police officer by transferring the grant funds to the General Fund. This fund source ended in 2010/11 FY; but, was extended when California State took cities' Vehicle License Fee revenue in exchange for the COPS Grant in 2011/2012 and is now ongoing. At this time a case is before the State Supreme Court pending hearing on this matter.
