20 COUNTY CDBG CONSORTIUM

The general goal of the Community Development Block Grant (CDBG) program is to provide decent housing, establish and maintain a suitable living environment and expand economic opportunities for every American; particularly those with lower incomes. In 2005, the City of Newman became a part of the six-member CDBG/ESG consortium that is lead by Stanislaus County. As an entitlement program, the Consortium allows the City to receive an annual allocation of CDBG funds without having to apply and compete for CDBG grants. These allocations are utilized for a variety of projects in the City's income-eligible area and can be carried over from one year to the next if necessary

FUND 21 GAS TAX

This fund accounts for the gas tax revenues we receive from the State. These funds are then transferred to the General Fund to reimburse it for costs relating to maintaining our streets. Examples include maintenance and repair costs of street repair equipment, asphalt pavement repair and construction, pavement marking and striping, sign installation and maintenance, curb and gutter maintenance, storm drain facilities, crack sealing, hazardous tree removal, equipment maintenance and repair. In years past, we used to pay street maintenance costs out of this fund. Now all costs are being paid out of the General Fund.

FUND 69 LIGHTING AND LANDSCAPE DISTRICT

The City formed its Lighting and Landscape District in September of 1987. We now have a total of 15 zones in our district and the residences in those districts pay an assessment based on the benefit they receive. The funds are used to cover the costs of weekly operation, maintenance, and servicing of all public landscaping improvements consisting of trimming and pruning, weed abatement, sidewalks, plant materials, pathways, irrigation systems, lighting systems, and associated appurtenant facilities. Services include, but are not limited to: personnel, materials, contracting services, electrical energy, water required for all necessary maintenance, replacement, repair and administration required to keep the above mentioned improvements in a healthy, vigorous, and satisfactory condition. 70 CONTINGENCY FUND

In past years the City has reserved funds for unknown needs or emergencies. These funds are accounted for here and are only to be used at the direction of the City Council for emergencies or unplanned needs. Currently we have approximately \$200,000 reserved in this fund. In past years ongoing expenses, such as theatre operations, were paid out of this fund. We are no longer budgeting ongoing expenses of any kind out of this fund.

72 COPS GRANT

The COPS program is a State of California grant that offers cities funding for law enforcement uses such as police officer salaries. The grant is based on population and is a minimum of \$100,000 annually. The City of Newman receives the minimum amount. Revenue from this grant is utilized to fund salaries and benefits of a police officer by transferring the grant funds to the General Fund. This fund source ended in 2010/11 FY but, was extended when California State took cities' Vehicle License Fee revenue in exchange for the COPS Grant in 2011/2012 and is now ongoing. At this time a case is before the State Supreme Court pending hearing on this matter.

FUND 73 SUCCESSOR AGENCY (FORMER REDEVELOPMENT)

With the upholding of ABx1-26 by the California Supreme Court the focus of the Redevelopment Fund has changed. Its goal is no longer to cure blight but to pay off its existing obligations and terminate. The fund has outstanding bonds with a maturity date of August 1, 2027. Every 6 months the Successor Agency provides a ROPS to the Oversight Board for approval. The ROPS is a list of enforceable obligations that the Successor Agency is required to pay. Also, the RDA is allowed up to \$250,000 in administrative costs. Future budgets should be created with the plan of eliminating debt and expenditures and wind down all operations.

Revenues

16 PARKS FACILITY FEE

We account for developer fees relating to parks in this fund. Each year the Park Facility developer fee is adjusted by a CCI factor. Council has previously given direction that this money should be used to build a new municipal pool. Funds can be used for the acquisition and development of parks and park facilities.

In the past this fund was used to purchase tables and chairs for the memorial building.
