

FREE TOWING

City of Newman Vehicle Owners

Do you own an inoperable vehicle that you wish to have removed from the street or your property?

The City of Newman and Newman City Tow are offering you an opportunity to dispose of that unused inoperable vehicle free of charge!

You have two options as listed below

If you want the City to arrange for removal of your vehicle:

Please call (209)862-2902 and tell the clerk that you have a voluntary tow request. You will need to have title (pink slip or power of attorney) to the vehicle you wish to have voluntarily towed. *Please keep in mind that your vehicle is your responsibility. If you place an unregistered vehicle on the street it may be cited or towed at your expense. Inoperable vehicles stored on private property may also be removed at your expense and you may be cited.*

Donate your vehicle to the charity of your choice:

Many charitable organizations will have the vehicle removed at no charge and you will be able to claim a deduction on your tax return for the “fair market value” of your donated vehicle. Your charity will handle all of the paperwork for the transaction related to your donation. You will need to have title (pink slip or power of attorney) to the vehicle you wish to have voluntarily towed. Please contact your favorite charity to see if they participate in this type of program.

Thank you for your help in keeping our neighborhoods free from unwanted vehicles!
