FEMA FLOOD ZONE DESIGNATION

( ) Zone X   ( ) Zone A   ( ) Zone AH   ( ) Zone AO (AO Depth =   feet)

NOTE
Flood Insurance is required for property located within special flood hazard areas (FEMA Flood Zone AH, or AO) if a Federally backed mortgage is secured for a structure. For more information on Flood Insurance contact the City of Newman Public Works staff. Please note that this determination is based on the 100-year flood (a one percent chance of occurring in any given year) as shown on the Newman Flood Insurance Rate Map, provided by the Federal Emergency Management Agency. This letter does not make a determination that the referenced property will or will not be free from flooding or damage during such an event. A property not in a special flood hazard area may be damaged by a flood greater than that predicted on the flood insurance rate map or from a local drainage problem not shown on the map. In addition, this letter does not create liability on the part of the City of Newman or any officer or employee thereof for any damage that results from reliance on this determination.
