

# City of Newman Highway 33 Specific Plan Update

We are excited to present you the updated Highway 33 Specific Plan at our second Virtual Community Workshop. We will be focusing on an overview of the Specific Plan Update effort, recap results from previous community outreach efforts, and present the Preferred Highway Corridor Concept, based on feedback received. The Preferred Highway Corridor Concept includes bike, pedestrian, and parking related improvements and beautification. There will be a variety of opportunities for participants to provide feedback on the draft concepts presented.
