

# City of Newman Highway 33 Specific Plan Update

We are excited to hear from you on your ideas and opportunities for the Highway 33 Specific Plan Update! We will be hosting our first Virtual Community Workshop and we want to share alternative proposals for changes to the Highway 33 corridor! The Workshop will provide a Specific Plan Update overview, recap Questionnaire results, and review/seek community feedback on proposed alternatives for the corridor, including bike, pedestrian, and parking related improvements and beautification.
